ORDER POSTPONING HEARING

Respondent Daniel Henry has requested that the hearing on APOC complaint case number 16-02-POFD be postponed from the currently scheduled date of June 8, 2016 to a later scheduled meeting in either August or October 2016. The request is made in light of his August 1, 2016 sentencing date in Federal Court on other matters and due to a family member recently passing away. APOC staff does not oppose the request.

Based on the above information the Commission orders that this matter be removed from the June 8, 2016 agenda and be heard at the August 9, 2016, Commission meeting, or at the October 25, 2016, meeting if the August 9, 2016, meeting of the Commission is canceled. Postponing beyond either of those meetings will require a request for good cause by either party.
