NOTICE OF LODGING Todd Smith v. John Quick

Page 1 of 1 APOC Case No. 19-04-CD

I have accepted Paul Huber's resignation effective immediately. Paul is a good guy with a big heart. During a hearing today before the Alaska Public Offices Commission, I learned for the first time that Paul was in communication with Alaska Yes, an independent expenditure entity, via email. I was not copied on these emails, nor was I aware that Paul was copied on this emails. I was familiar with this entity as I was previously affiliated with the same.

However, I resigned my position with Alaska Yes and had no involvement or communication with that entity since March 2019. My only contact with them since March 2019 was to inquire as my name was recently errantly placed on an APOC filing.

I believe that a campaign should focus on the issues that matter most to us living within the Borough, and it is unfortunate that there have been distractions in the form of negative messaging. The integrity of my campaign is of utmost importance to me, and therefore, I have accepted Paul's immediate resignation.
