

STATE OF ALASKA RFP NUMBER 2517H004
AMENDMENT NUMBER SIX (6)

AMENDMENT ISSUING OFFICE:

Department of Transportation & Public Facilities
Statewide Contracting & Procurement
P.O. Box 112500
(3132 Channel Drive, Room 350)
Juneau, Alaska 99801-7898

THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: May 10, 2017

RFP TITLE:

Road Weather Information Systems (RWIS) Operations, Maintenance, and Equipment

This is an Informational Amendment only and is not required to be returned to the State of Alaska with interested parties' proposals.

This amendment serves to answer a vendor question:

- 1) Amendment #5 and specifically item 6) regarding work of an electrical nature... I think state law requires that to do electrical work you must be a licensed contractor and you must be registered as an electrical administrator or you must employ a person whose EA license is assigned to you according to AS 08.40. If the project is primarily electrical, and I don't think this one is, you must meet this requirement on bid day.

ANSWER: This contract will only comprise approximately 25% electrical work for the pavement and TDP installations, the Electrical Administrator license is not required. It is only required when there is 50% or more of the total project constituting work of an electrical nature.

All other Terms, Conditions, Schedules and Scope remain the same.

Janice Wilson
