INSTRUCTIONS TO BIDDERS:

1. INVITATION TO BID (ITB) REVIEW: Bidders shall carefully review this ITB for defects and questionable or objectionable material. Bidders' comments concerning defects and questionable or objectionable material in the ITB must be made in writing and received by the purchasing authority at least ten (10) days before the bid opening date. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices. Bidders' original comments should be sent to the purchasing authority listed on the front of this ITB.

2. BID FORMS: Bidders shall use this and attached forms in submitting bids. A photocopied bid may be submitted.

3. SUBMITTING BIDS: Envelopes containing bids must be sealed, marked, and addressed as shown in the example below. Do not put the ITB number and opening date on the envelope of a request for bid information. Envelopes with ITB numbers annotated on the outside will not be opened until the scheduled date and time.

COMPLIANCE WITH ADA: By signature of their bid the Bidder certifies that they comply with the Americans with Disabilities Act of 1990 and the regulations issued thereunder by the federal government.

Services or activities furnished to the general public on behalf of the State must be fully accessible. This is intended to ensure that agencies are in accordance with 28 CFR Part 35 Section 35.130 and that services, programs or activities furnished to the public through a contract do not subject qualified individuals with a disability to discrimination based on the disability.

CONTRACT PERFORMANCE LOCATION: By signature on their bid, the Bidder certifies that all services provided under this contract by the Contractor and all subcontractors will be performed in the United States.

If the Bidder cannot certify that all work will be performed in the United States, the Bidder must contact the Procurement Officer in writing to request a waiver at least 10 days prior to the deadline for receipt of bids.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the State to reject the bid as non-responsive, or cancel the contract.

HUMAN TRAFFICKING: By signature on their bid, the Bidder certifies that the Bidder is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <http://www.state.gov/g/tip/>

Failure to comply with this requirement will cause the State to reject the bid as non-responsive, or cancel the contract.

CONTRACT INTENT: This Invitation to Bid (ITB) is intended to result in a one-time purchase and delivery of D-1 Aggregate for Chiniak, Alaska.

NOTICE OF INTENT TO AWARD: After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the State's intent to award a contract(s) to the Bidder(s) indicated. The Procurement Officer will provide a copy of the Notice of Intent to each company or person who responded to the ITB. Bidders identified as the apparent low responsive Bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the Procurement Officer.

A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the Procurement Officer, does so without a contract, and at their own risk.

PAYMENT FOR STATE PURCHASES: Payment for agreements under \$500,000 for the undisputed purchase of goods or services provided to a State agency, will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. A late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement which establishes a lower interest rate or precludes the charging of interest.

STANDARD TERMS AND CONDITIONS

CONTRACT ADMINISTRATION: The administration of this contract is the responsibility of the Procurement Officer of Record appointed by the Department of Transportation & Public Facilities, Statewide Procurement.

SHIPPING DAMAGE: The State will not accept or pay for damaged goods. The Contractor must file all claims against the carrier(s) for damages incurred to items in transit from the point of origin to the ultimate destination. The State will provide the Contractor with written notice when damaged goods are received. The State will deduct the cost of the damaged goods from the invoice prior to payment. The Contractor must file all claims against the carrier(s) for reimbursement of the loss.

INDEMNIFICATION: The Contractor shall indemnify, hold harmless, and defend the Contracting agency from and against any claim of, or liability for error, omission or negligent act of the Contractor under this agreement. The Contractor will not be required to indemnify the Contracting agency for a claim of, or liability for, the independent negligence of the Contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the Contractor and the independent negligence of the Contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis.

“Contractor” and “Contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the Contracting agency’s selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor’s work.

INSURANCE: Without limiting Contractor's indemnification, it is agreed that Contractor will purchase, at its own expense and maintain in force at all times during the performance of services under this agreement, the following policies of insurance. Where specific limits are shown, it is understood that they will be the minimum acceptable limits. If the Contractor's policy contains higher limits, the State will be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the Procurement Officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions.

Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and will be grounds for termination of the Contractor's services. All insurance policies must comply with, and be issued by insurers licensed to transact the business of insurance under AS 21.

Proof of insurance is required for the following:

Workers' Compensation Insurance: The Contractor must provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and; where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the State.

STANDARD TERMS AND CONDITIONS

Commercial Automobile Liability Insurance: Covering all vehicles used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.

Failure to supply satisfactory proof of insurance within the time required will cause the State to declare the Bidder non-responsible and to reject the bid.

CONTRACT PERIOD: From issuance of the Delivery/Purchase Order, through final delivery of material to the F.O.B. Destination.

FIRM, UNQUALIFIED AND UNCONDITIONAL OFFER: Bidders must provide enough information with their bid to constitute a definite, firm, unqualified and unconditional offer. To be responsive, a bid must constitute a definite, firm, unqualified and unconditional offer to meet all of the material terms of the ITB. Material terms are those that could affect the **price, quantity, quality, or delivery**. Also included as material terms, are those which are clearly identified in the ITB and which, for reasons of policy, must be complied with at risk of bid rejection for non-responsiveness.

ALTERATIONS: The Contractor must obtain the written approval from the Procurement Officer prior to offering any product that demonstrates alterations to the specifications contained in this ITB. The State is not responsible for payment if alterations do not have prior written approval from the Procurement Officer.

DELIVERY / MATERIAL AVAILABILITY: Indicate in the space provided under "Bid Schedule", the time required to make delivery after the receipt of an order. Failure to make an entry in the space provided will be construed as an offer to complete delivery by:

July 9, 2018 for Aggregate delivered to Chiniak, Alaska

Bids which specify deliveries later than July 9, 2018 for Chiniak will be considered non-responsive and the bids will be rejected.

CHINIAK: Aggregate to be delivered on site to State equipment operators working on the Chiniak Highway. The F.O.B. point will be project locations between Mile Points 21.7 (1/2 mile past Frank Creek) and 31.3 (roughly a 1/4 mile before the end of the highway) and are to be coordinated through Airport Manager, Phillip Smith at 907-539-7073, or an onsite State operator. Drivers will need to present scale tickets to the onsite operator after each delivery.

QUANTITIES: The quantities referenced in this ITB represent the State's firm quantity, one-time purchase.

FREIGHT CHARGES: The Contractor(s) will be responsible for all freight charges. C.O.D. shipments will not be authorized and will be refused.

STANDARD TERMS AND CONDITIONS

THIRD-PARTY FINANCING AGREEMENTS NOT ALLOWED: Because of the additional administrative and accounting time required of State agencies when third party financing agreements are permitted, they will not be allowed under this contract.

CONTINUING OBLIGATION OF CONTRACTOR: Regardless of the terms and conditions of any third-party financing agreement, the Contractor agrees that none of its responsibilities under this contract are transferable and that the contractor alone will continue to be solely responsible until the expiration date of the contract. Such responsibilities include, but are not limited to, the provision of equipment, training, warranty service, maintenance, parts and the provision of consumable supplies. By signature on the face page of this ITB, the Bidder acknowledges this requirement and indicates unconditional acceptance of this continuing obligation clause.
