Re: **NOTICE OF CANCELLATION**

Project name: Brevig Mission Airport Segmented Circle Replacement FFY2017
No. AIP 3-02-02000-115-2017/NFAPT00264

This serves to notify all interested parties that the solicitation for the referenced project has been cancelled and all bids have been rejected. The services required under this solicitation may be re-advertised either as a stand-alone project or combined with another project in the future.

The Department has decided to reject all bids based on the following:

The project was advertised with the concurrence of the Federal Aviation Administration (FAA) and the bids were opened on July 10, 2018. Five (5) bids were received. Four of the Five bids were non-responsive, and the remaining bid was more than 2½ times greater than the Engineer's Estimate, significantly exceeding the available funding. Thus, cancellation of this solicitation and rejection of all bids is appropriate.

An interested party may protest the cancellation of an invitation for bid or proposal under 2 AAC 12.615 within 10 calendar days of the issuance of the notice of cancellation.

We thank you for your participation in this solicitation.

Sincerely,

A handwritten signature in blue ink that reads "Barbara L. Tanner".

Barbara L. Tanner, P.E.
Chief of Contracts & LPA Design
