## **Questions/Answers**

1. **QUESTION:** Is membership with Alaska Trails sufficient to bid on this project?

**RESPONSE:** The State considers membership with Alaska Trails to be equivalent to membership with the Professional TrailBuilders Association (PTBA). Experience requirements have been added (see below).

2. **QUESTION:** Is the end date, July 15, 2019 flexible or subject to change order once awarded?

**RESPONSE:** It may be possible with enough advance notice and sufficient justification, but it would be contingent on approval from our funding source.

## **The IFQ is modified as follows:**

- 1. **ADD:** on Page 8, new section "Experience:"
  - a. The contractor/subcontractor(s) must provide documentation showing a minimum of 24 hours of formal "sustainable" trail construction instruction from: Alaska Trails, California State Parks, International Mountain Bicycling Association, PTBA, USFS, Trails Unlimited or a similar State acceptable organization.
  - b. The contractor/subcontractor(s) must provide documentation of construction of at least five miles of "sustainably" designed/constructed multi-use or ATV trail.
