ITB 190000016

I. STANDARD TERMS AND CONDITIONS

A. INSTRUCTIONS TO BIDDERS

1. INVITATION TO BID (ITB) REVIEW: Bidders shall carefully review this ITB for defects and questionable or objectionable material. Bidders' comments concerning defects and questionable or objectionable material in the ITB must be made in writing and received by the purchasing authority at least ten (10) days before the bid opening date. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices. Bidders' original comments should be sent to the purchasing authority listed on the front of this ITB.

2. BID FORMS: Bidders shall use this and attached forms in submitting bids. A photocopied bid may be submitted.

3. SUBMITTING BIDS:

a. SEALED BIDS: Envelopes containing bids must be sealed, marked, and addressed to: **Department of Natural Resources, Division of Support Services, 550 W. 7th Avenue, Suite 1330, Anchorage, AK 99501.** Clearly annotate the ITB No., the DEADLINE FOR RESPONSES DATE, and the bidder's company name and address on the front of the envelope. **DO NOT** put the ITB number and Deadline for Responses date on the envelope of a **request for bid information.** Envelopes with ITB numbers annotated on the outside will not be opened until the scheduled date and time.

b. ELECTRONIC BID SUBMISSION: Bids may be emailed to dnr.ssd.procurement@alaska.gov, must be received in their entirety no later than the date and time listed on page one of this ITB as the deadline for responses, and must contain the ITB number in the subject line of the email. Emailed bids must be submitted as an attachment in PDF format. Please note that the maximum size of a single email (including all text and attachments) that can be received by the state is 20mb (megabytes). If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above. The state is not responsible for unreadable, corrupt, or missing attachments or for delays in transmission between the sender and DNR Procurement. It is the bidder's responsibility to contact the issuing office at (907) 269-8687 to confirm that the bid has been received. Failure to follow the above instructions may result in the bid being found non-responsive and rejected.

The state is not responsible for unreadable, corrupt, or missing attachments or pages, or for delays in transmission between the sender and DNR Procurement. It is the bidder's responsibility to contact the issuing office at (907) 269-8687 to make arrangements prior to faxing the bid and to confirm that the bid has been received. Failure to follow the above instructions may result in the bid being found non-responsive and rejected.

4. PRICES: The bidder shall state prices in the units of issue on this ITB. Prices quoted for commodities must be in U.S. funds and include applicable federal duty, brokerage fees, packaging, and transportation cost to the FOB point so that upon transfer of title the commodity can be utilized without further cost. The State is exempt from Federal Excise Tax except the following:

- Coal - Internal Revenue Code of 1986 (IRC), Section 4121 - on the purchase of coal;
- "Gas Guzzler" - IRC, Section 4064 - on the purchase of low m.p.g. automobiles, except that police and other emergency type vehicles are not subject to the tax;

PRE-BID CONFERENCE: No pre-bid conference will be held for this ITB.

NOTICE OF INTENT TO AWARD: After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the state's intent to award a contract(s) to the bidder(s) indicated. A copy of the Notice of Intent will be mailed to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the Procurement Officer. A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the Procurement Officer does so without a contract and at their own risk.

Prompt Payment For State Purchases: The state is eligible to receive a 5% discount for all invoices paid within 15 business days from the date of receipt of the commodities or services and/or a correct invoice, whichever is later. The discount shall be taken on the full invoice amount.
