**RFP TITLE: As-Needed Marine Vessel Services for AVO Support**

**RFP CLOSING DATE AND TIME: 2:00 p.m. on March 13, 2019 (Changed!)**

This amendment is for informational purposes only and need not be returned to the State.

This amendment extends the Deadline for Receipt of Proposals and answers questions asked by a potential offerors as of March 1, 2019.

**1. EXTEND the Deadline for Receipt of Proposals to 2:00 p.m. on March 13, 2019.**

Revise all other dates shown in the RFP to reflect the additional number of days.

Offerors who have already submitted a proposal in response to this RFP may submit a revised proposal based on information within this amendment at their sole discretion. If a revised proposal is submitted it must be received no later than the new deadline of 2:00 p.m. on March 13, 2019.

**2. Question:** Does the helipad need to have been engineered? Having been engineered means a marine architect has designed or signed off on the helipad as being safe to handle helicopter operations and has issued that in writing.

**Response:** The helipad does not have to be engineered. The helipad must be capable of supporting a helicopter landing and tiedown.

**3. Question:** Does the helipad need to be on the stern of the vessel?

**Response:** No. Stern, bow, or midship helipads are all acceptable.

**4. Question:** Does the helipad need to allow for full access/maintenance of the helicopter to include tail rotor?

**Response:** Full access is preferred but not required.
