The following question has been submitted by the vendor community in response to this ITB.

Question 1: Item 13 on Attachment H, System Attributes indicates the proposed system must comply with the Certified FedRAMP (Federal Risk and Authorization Management Program) security protocols. Is this a firm requirement or will the state consider similar certifications such as ISO, SOC, Privacy Shield, TRUST certifications in the same light?

Answer1: This requirement has been removed. Please see **Revised Attachment H, System Attributes issued on July 9, 2020.**
