

## Statement of Assurance – Refusal of Tobacco Industry Funds

This page must be signed and dated by an official authorized to bind the proposer. By signing this page, the official verifies that the following statements are true:

Neither the proposer nor any subcontractor of the proposer is accepting funding from the tobacco industry and will not accept funding from the tobacco industry during the project period of performance. The term “tobacco industry” includes individuals, companies or organizations involved in any way in the production, processing, distribution, promotion or sale of tobacco products.

Any past funding relationships with the tobacco industry are disclosed as noted below.
