- 4.1 The Contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The Contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, marital status, changes in marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting out the provisions of this paragraph.

Article 8. Independent Contractor.

The Contractor and any agents and employees of the Contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

Article 9. Payment of Taxes.

As a condition of performance of this contract, the Contractor shall pay all federal, State, and local taxes incurred by the Contractor and shall require their payment by any subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

Article 10. Ownership of Documents.

All designs, drawings, specifications, notes, artwork, and other work developed in the performance of this agreement are produced for hire and remain the sole property of the State of Alaska and may be used by the State for any other purpose without additional compensation to the Contractor. The Contractor agrees not to assert any rights and not to establish any claim under the design patent or copyright laws. The Contractor, for a period of three years after final payment under this contract, agrees to furnish and provide access to all retained materials at the request of the Project Director. Article 14. Covenant Against Contingent Fees.

The Contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the Contractor for the purpose of securing business. For the breach or violation of this warranty, the State may terminate this contract without liability or in its discretion deduct from the contract price or consideration the full amount of the commission, percentage, brokerage or contingent fee.

Article 15. Civil Rights of Clients

1. The Contractor shall comply with Title VI and VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, Section 594 of the Rehabilitation Act of 1973, the Food Stamp Act of 1977, Alaska Statute 18.80.200-280, and pertinent portions of the Code of Federal Regulation (CFR) for implementation of the foregoing.

4. In determination of whether a Contractor is illegally discriminating in the provision of benefits or services, consideration shall be given to the purpose of the service as expressly stated in any federal statute, state statute, or local statute or ordinance adopted by an elected general purpose legislative body. In making such determination it shall be acknowledged that certain federal, state or local funding is legally designated for specific groups by age, sex, handicap, income, or other specific and legal eligibility criteria. For example, programs for the aging, blind, disabled and youth provide services legally only for those groups. Also, institutions may legally serve a special age, sex, or handicap group depending upon their protective treatment, or rehabilitative needs and funding sources to provide the services.

BUSINESS ASSOCIATE AGREEMENT**

This HIPAA Business Associate Agreement supplements and is made part of the contract between the State of Alaska, Department of Health and Social Services ("Covered Entity" or "CE") and _____ ("Business Associate" or "BA").

RECITALS

Whereas,

- A. CE wishes to disclose certain information to BA pursuant to the terms of the contract, some of which may constitute Protected Health Information ("PHI");
- B. It is the goal of CE and BA to protect the privacy and provide for the security of PHI owned by the CE that is disclosed to the BA or accessed, received, stored, maintained, modified or retained by the BA in compliance with HIPAA (42 U.S.C. 1320d – 3120d-8) and its implementing regulations at 45 C.F.R. 160 and 45 C.F.R. 164 (the "Privacy and Security Rule"), the Health Information Technology for Economic and Clinical Health Act of 2009 (P.L. 111-5) (the "HITECH Act"), and with other applicable laws;
- C. The purpose and goal of the HIPAA Business Associate Agreement ("BAA") is to satisfy certain standards and requirements of HIPAA, HITECH Act, and the Privacy and Security Rule, including but not limited to 45 C.F.R. 164.502(e) and 45 C.F.R. 164.504(e), as may be amended from time to time;

Therefore, in consideration of mutual promises below and the exchange of information pursuant to the BAA, CE and BA agree as follows:

1. Definitions. As used in this BAA, the terms "Business Associate," "Covered Entity," "Protected Health Information," "Health Care Operations," and other capitalized terms have the same meaning given to those terms by HIPAA, the HITECH Act and the Privacy and Security Rule. In the event of any conflict between the mandatory provisions of HIPAA, the HITECH Act or the Privacy and Security Rule, and the provisions of this BAA, HIPAA, the HITECH Act or the Privacy and Security Rule shall control. Where the provisions of this BAA differ from those mandated by HIPAA, the HITECH Act or the Privacy and Security Rule but are nonetheless permitted by HIPAA, the HITECH Act or the Privacy and Security Rule, the provisions of the BAA shall control.

2. Statement of Work and Responsibilities.

The work and responsibilities of the Business Associate are those described in Appendix C of the Standard Agreement.

3. Obligations of Business Associate.

- a. Permitted uses and disclosures: BA may only use and disclose PHI owned by the CE that it accesses, maintains, retains, modifies, records, stores, receives, or transmits if the use or disclosure is in compliance with each applicable requirement of 45 C.F.R. 164.504(e) of the Privacy Rule. The additional requirements of Subtitle D of the HITECH Act contained in Public Law 111-5 that relate to privacy and that are made

applicable with respect to Covered Entities shall also be applicable to BA and are incorporated into this BAA.

To the extent that BA discloses PHI to a third party, BA must obtain, prior to making any such disclosure: (1) reasonable assurances from the third party that the PHI will be held confidential as provided in this BAA and only disclosed as required by law or for the purposes for which it was disclosed to the third party; and (2) an agreement from the third party to notify BA within two business days of any Breaches of confidentiality of the PHI, to the extent it obtained knowledge of the Breach.

- b. Safeguards: 45 C.F.R. 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), and 164.316 (policies, procedures and documentation requirements) shall apply to BA in the same manner that such sections apply to CE, and shall be implemented in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. The additional requirements of Title XIII of the HITECH Act contained in Public Law 111-5 that relate to security and that are made applicable to Covered Entities shall also apply to BA and are incorporated into this BAA.

Unless CE agrees in writing that this requirement is infeasible with respect to certain data, BA shall secure all paper and electronic PHI by encryption or destruction such that the PHI is rendered unusable, unreadable or indecipherable to unauthorized individuals; or secure paper, film and electronic PHI in a manner that is consistent with guidance issued by the Secretary of the United States Department of Health and Human Services specifying the technologies and methodologies that render PHI unusable, unreadable or indecipherable to unauthorized individuals, including the use of standards developed under Section 3002(b)(2)(B)(vi) of the Public Health Service Act, as added by Section 13101 of the HITECH Act contained in Public Law 111-5.

- c. Reporting Unauthorized Disclosures and Breaches: During the term of this BAA, BA shall notify CE within 24 hours of any suspected or actual Breach of security; intrusion; or unauthorized acquisition, access, use or disclosure of PHI in violation of any applicable federal or state law. BA shall identify for the CE the individuals whose unsecured PHI has been, or is reasonably believed to have been, Breached so that CE can comply with any notification requirements. BA shall also indicate whether the PHI subject to the suspected or actual Breach; intrusion; or unauthorized acquisition, access, use or disclosure was encrypted or destroyed at the time. BA shall take prompt corrective action to cure any deficiencies that result in Breaches of security; intrusion; or unauthorized acquisition, access, use, and disclosure. BA shall reimburse CE for all costs associated with any notice of Breach CE is required to provide under HIPAA, HITECH Act, and the Privacy and Security Rule. For purposes of this paragraph, BA is not an agent of CE.
- d. BA's Agents. If BA uses a subcontractor or agent to provide services under this BAA, and the subcontractor or agent receives, stores, transmits or has access to CE's PHI, the subcontractor or agent shall sign an agreement with BA containing substantially the same provisions as this BAA and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from the subcontractor or agent in the event of any violation of the subcontractor or agent agreement. BA shall mitigate the effects of any violation.
- e. Availability of Information to CE: Within 30 days after the date of a written request by CE, BA shall provide any information necessary to fulfill CE's obligations to provide access to PHI under HIPAA, the HITECH Act, or the Privacy and Security Rule.
- f. Accountability of Disclosures: If BA is required by HIPAA, the HITECH Act, or the Privacy or Security Rule to document a disclosure of PHI, BA shall make that

documentation. If CE is required to document a disclosure of PHI made by BA, BA shall assist CE in documenting disclosures of PHI made by BA so that CE may respond to a request for an accounting in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. Accounting records shall include the date of the disclosure, the name and if known, the address of the recipient of the PHI, the name of the individual who is subject of the PHI, a brief description of the PHI disclosed and the purpose of the disclosure. Within 30 days of a written request by CE, BA shall make the accounting record available to CE.

- g. Amendment of PHI: Within 30 days of a written request by CE, BA shall amend PHI maintained, stored, created or received by BA on behalf of CE as directed by CE when required by HIPAA, the HITECH Act or the Privacy and Security Rule.
- h. Internal Practices: BA shall make its internal practices, books and records relating to the use and disclosure of CE's PHI available to CE and all appropriate federal agencies to determine CE's and BA's compliance with HIPAA, the HITECH Act and the Privacy and Security Rule.
- i. Risk Assessment: BA shall annually conduct a thorough assessment of the potential risks to and vulnerabilities of the confidentiality, integrity, and availability of CE's PHI it receives, stores, transmits, or has access to, and shall provide CE with a written report detailing the results of the assessment within 20 days of completing it.
- j. Audits, Inspection and Enforcement: CE may, after providing reasonable notice to the BA, conduct an inspection of the facilities, systems, books, logs and records of BA that relate to BA's use of CE's PHI, including inspecting logs showing the creation, modification, viewing, and deleting of PHI at BA's level. Failure by CE to inspect does not waive any rights of the CE or relieve BA of its responsibility to comply with this BAA. CE's failure to detect or failure to require remediation does not constitute acceptance of any practice or waive any rights of CE to enforce this BAA.

Notwithstanding BA's obligation to report under paragraph 3.c of this BAA, BA shall provide a monthly report to CE detailing the unauthorized, or reasonable belief of unauthorized, acquisition, access, use, or disclosure of PHI, including any unauthorized creation, modification, or destruction of PHI and unauthorized login attempts. BA shall include privileged and nonprivileged accounts in its audit and report, indicating the unique individual using the privileged account. BA shall also indicate whether PHI subject to unauthorized activity was encrypted or destroyed at the time of the unauthorized activity.

BA shall provide a monthly report to CE that lists the names of all individuals with technical or physical access to CE's PHI and the scope of that access.

- k. Restrictions and Confidential Communications: Within 10 business days of notice by CE of a restriction upon use or disclosure or request for confidential communications pursuant to 45 C.F.R.164.522, BA shall restrict the use or disclosure of an individual's PHI. BA may not respond directly to an individual's request to restrict the use or disclosure of PHI or to send all communication of PHI to an alternate address. BA shall refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to the BA.
- l. Indemnification: BA shall indemnify and hold harmless CE for any civil or criminal monetary penalty imposed on CE or monetary settlement reached by CE for acts or omissions in violation of HIPAA, the HITECH Act, or the Privacy or Security Rule that are committed by BA or a member of its workforce.

4. Obligations of CE. CE will be responsible for using legally appropriate safeguards to maintain and ensure the confidentiality, privacy and security of PHI transmitted to BA under the BAA until the PHI is received by BA. CE will not request BA to use or disclose PHI in any manner that would not be permissible under HIPAA, the HITECH Act or the Privacy and Security Rule if done by CE.
5. Termination.
 - a. Breach: A breach of a material term of the BAA by BA that is not cured within a reasonable period of time will provide grounds for the immediate termination of the contract.
 - b. Reasonable Steps to Cure: In accordance with 45 C.F.R. 164.504(e)(1)(ii), CE and BA agree that, if it knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of the other party's obligation under the BAA, the nonbreaching party will take reasonable steps to get the breaching party to cure the breach or end the violation and, if the steps taken are unsuccessful, terminate the BAA if feasible, and if not feasible, report the problem to the Secretary of the U.S. Department of Health and Human Services.
 - c. Effect of Termination: Upon termination of the contract, BA will, at the direction of the CE, either return or destroy all PHI received from CE or stored, maintained, or transmitted by BA in any form. Unless otherwise directed, BA is prohibited from retaining any copies of PHI received from CE or stored, maintained, or transmitted by BA on behalf of CE. If destruction or return of PHI is not feasible, BA must continue to extend the protections of this BAA to PHI and limit the further use and disclosure of the PHI. The obligations in this BAA shall continue until all of the PHI provided by CE to BA is either destroyed or returned to CE.
6. Amendment: The parties acknowledge that state and federal laws relating to electronic data security and privacy are evolving, and that the parties may be required to further amend this BAA to ensure compliance with applicable changes in law. Upon receipt of a notification from CE that an applicable change in law affecting this BAA has occurred, BA will promptly agree to enter into negotiations with CE to amend this BAA to ensure compliance with changes in law.
7. Ownership of PHI: For purposes of this BAA, CE owns the data that contains the PHI it transmits to BA or that BA receives, stores, maintains or transmits on behalf of CE.
8. Litigation Assistance: Except when it would constitute a direct conflict of interest for BA, BA will make itself available to assist CE in any administrative or judicial proceeding by testifying as witness as to an alleged violation of HIPAA, the HITECH Act, the Privacy or Security Rule, or other law relating to security or privacy.
9. Regulatory References: Any reference in this BAA to federal or state law means the section that is in effect or as amended.
10. Interpretation: This BAA shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy and Security Rule and applicable state and federal laws.
