

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Alaska Waste - Kenai, LLC d/b/a Alaska Waste (AWK), has filed a revenue requirement, cost of service, and rate design study for its residential service designated as TA57-714. With this filing, AWK is seeking an interim, across-the board rate increase, to the currently approved rate design, of 10.34% and a permanent rate increase of 31.01%, to be allocated according to the included cost of service and rate design study.

In addition to the proposed interim and permanent rate increases, AWK proposes the following changes to its tariff:

- To begin billing residential customers quarterly in advance.
- To discontinue the rental fee for AWK-owned roll carts.
- To make customer use of AWK-owned roll carts mandatory.
- To introduce a new fee for delivery and retrieval of roll carts.
- To introduce a new fee for extra large items that cannot be collected with automated service during scheduled route times.

The effect of the proposed interim and permanent rate increases on selected rates as well as the proposed fees are shown in the table below:
