

Corrected Notice of Utility Tariff Filing

On August 26, 2014, the REGULATORY COMMISSION OF ALASKA (Commission) issued a public notice regarding the Multi-Year Sales Agreement for the Furnishing of Ultra Low Sulfur Diesel #2 for Matanuska Electric Association, Inc.'s (MEA) Eklutna Generation Station between MEA and CPD Alaska, LLC (Agreement). The proposed effective date is October 6, 2014.

That notice erroneously stated that MEA was seeking approval of the Agreement. With this corrected notice, we clarify that the Agreement is filed informationally under 3 AAC 52.470(e) and MEA is only seeking approval of the recovery of Agreement-related costs in MEA's future Fuel and Purchased Power Cost Rate Adjustment calculation and the proposed tariff sheet listing MEA's fuel supply agreements and contracts.

This notice does not contain every pertinent revision or request associated with this filing. The Commission may approve a rate or classification which varies from that proposed. You may obtain more information about this filing by contacting MEA at P. O. Box 2929, Palmer, AK 99645; phone: (907) 745-3231.
