AMENDMENT NUMBER 4

The following questions have been asked and answered:

Q 1a) – Are the start and stop dates to be designated as month/year or are you looking for the specific days as well.

A) – Yes, use month/year.

Q 1b) – Would it be appropriate to put a tally of the total months?

A) – Yes, but it is not necessary.

Q 2a) – My understanding is that you need only the minimum of three years experience in the two areas.

A) – Yes.

Q 2b) – Should it be the most recent experience or the 3 years as we completed them chronologically? My understanding was the latter.

A) – Neither is required.

Q 3) – In the Attachment 12 table you are only looking for the project name, no details about the projects as we had laid out in our proposal.

A) – Yes. And we are asking for a reference to the page(s) the project is described in the proposal.

Q 4a) – I just want to confirm that it is sufficient for me to email the signed Amendment 3 and Attachment 12.

A) – Yes.

Q 4b) – I don't have to include them in new copies of the proposal?

A) – Yes, these will be added to your proposal as submitted.

Q 5) – Why did you reopen the IRFP 2015-0800-2709 Newtok Environmental Site Inventory and Assessment Project?

A) – In order to determine responsiveness the state required additional detail regarding prior experience criteria one and two.

Q 6) – Why did you reopen the IRFP publicly with amendment three (3) verses giving the amendment to just those who proposed?

A) – The state procurement code does not have a provision for obtaining clarification for responsiveness; therefore the solicitation had to be reopened.
