Dear licensees and interested parties:

Alaska's professional licensing statutes (AS 08.01.065) require the Division of Corporations, Business and Professional Licensing (CBPL) to "annually review each fee level to determine whether the regulatory costs of each occupation are approximately equal to fee collections related to that occupation." Alaska's licensing fee statutes go on to say, "If the review indicates that an occupation's fee collections and regulatory costs are not approximately equal, the department shall calculate fee adjustments and adopt regulations...to implement the adjustments."

With the addition of a statutorily dedicated investigator, as well as the higher legal and regulatory activity of the Board of Dental Examiners during this time period, the division proposed increasing licensing fee amounts in order to comply with the statute listed above and to continue to deliver its current level of service for the dental licensing program.

The Board moved and approved at their September 5, 2014, meeting to increase the application, anesthetic, and sedation fees above what was recommended by the division. A breakdown of the proposed fees is enclosed, as well as located on the Board's web page at <http://commerce.alaska.gov/dnn/cbpl/ProfessionalLicensing/BoardofDentalExaminers.aspx>.

This fee proposal will enter a public comment period this week. The division encourages all licensees and interested parties to comment on this proposal through the division's Regulations Specialist, whose contact information is enclosed on the public notice. After the comment period closes and the division reviews all comments received, the division may adopt the regulation as drafted, may amend a proposed fee, or may withdraw the regulations in part or in its whole.

All comments received will be reviewed and taken into consideration prior to adopting the final regulations. The final decision will result in the fee to be implemented during this winter's license renewal.

Please feel welcome to contact me at sara.chambers@alaska.gov or (907) 465-2538 with any questions.

Sincerely,

NOTICE OF PROPOSED CHANGES IN THE REGULATIONS OF THE DEPARTMENT OF COMMERCE, COMMUNITY, AND ECONOMIC DEVELOPMENT

BRIEF DESCRIPTION: The Department of Commerce, Community, and Economic Development proposes to change occupational license fees charged to dentists and dental hygienists.

The Department of Commerce, Community, and Economic Development proposes to adopt regulation changes in Title 12, Chapter 02 of the Alaska Administrative Code, dealing with occupational licensing fees related to the Board of Dental Examiners, including the following:

12 AAC 02.190, Board of Dental Examiners, is proposed to be changed to alter the application, license, renewal, permit, review, endorsement, and continuing education course submittal and resubmittal fees for dentists and dental hygienists, and also to repeal obsolete fees.

Under AS 08.01.065, the Department of Commerce, Community, and Economic Development must establish fee levels so that the total amount of fees collected for an occupation approximately equals the actual regulatory costs for the occupation. The Department of Commerce, Community, and Economic Development has reviewed the income and expenses for the occupational licensing program for the Board of Dental Examiners and proposes fee changes that reflect, to the extent possible, the actual costs of the activities related to the program.

You may comment on the proposed regulation changes, including the potential costs to private persons of complying with the proposed changes, by submitting written comments by mail, fax, or e-mail to:
