

Corrected Notice of Utility Tariff Filing

On October 23, 2014, the REGULATORY COMMISSION OF ALASKA (Commission) issued a public notice regarding the tariff revision designated as TA25-653, filed by Alaska Pacific Environmental Services Juneau, LLC d/b/a Pacific Waste (APES-Juneau), seeking interim and permanent rate increases.

In that notice, it was stated that APES-Juneau proposed a permanent rate increase of 27.69 percent, applied to all tariff rates. With this corrected notice, we make the revision that the permanent rate increase proposed by APES-Juneau will be based on the outcome of the proposed revenue requirement, cost of service, and rate design study.
