

## **Notice of Utility Tariff Filing**

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Chugach Electric Association, Inc. (Chugach) filed tariff revision TA396-8, proposing to add a new cost element to its fuel cost adjustment mechanism to include the recovery of costs associated with natural gas purchases under a gas sale and purchase agreement (GSA) between Chugach and AIX Energy, LLC (AIX). Chugach submitted revisions to Tariff Sheet Nos. 94, 95 and 95.5 (which state actual and projected costs for Chugach's Fuel and Purchase Power Cost Adjustment) updating references to reflect the addition of the GSA. Chugach executed the GSA with AIX on December 22, 2014, for the period of March 1, 2015 through February 29, 2016. Chugach contends that Commission approval of the GSA is not required because the term of the agreement is less than one year.

This notice may not contain all requested revisions and the Commission may approve a rate or classification which varies from that proposed.
