AMENDMENT NUMBER 5**

---

**The following is deleted in it's entirety:**

**1.15 Subcontractors**

~~Subcontractors will be allowed. To ensure transparency, proposed subcontractors may not hold another contract with DCCED's tourism marketing program.~~

**And replaced with the following:**

**1.15 Subcontractors**

Subcontractors will be allowed. To ensure transparency, proposed subcontractors may not hold another contract with DCCED's tourism marketing program.

If an offeror intends to use subcontractors, the offeror must identify in the proposal the names of the subcontractors and the portions of the work the subcontractors will perform.

If a proposal with subcontractors is selected, the offeror must provide the following information concerning each prospective subcontractor within five working days from the date of the state's request:

- (a) complete name of the subcontractor;
- (b) complete address of the subcontractor;
- (c) type of work the subcontractor will be performing;
- (d) percentage of work the subcontractor will be providing;
- (e) evidence that the subcontractor holds a valid Alaska business license; and
- (f) a written statement, signed by each proposed subcontractor that clearly verifies that the subcontractor is committed to render the services required by the contract.

An offeror's failure to provide this information, within the time set, may cause the state to consider their proposal non-responsive and reject it. The substitution of one subcontractor for another may be made only at the discretion and prior written approval of the project director.
