ALASKA CLEAN WATER REVOLVING LOAN FUND

Adoption of a Previous Federal Determination

Finding of No Significant Impact to the Environmental Review Process

North Slope Borough - Wainwright and Anaktuvuk Pass Wastewater Project

The North Slope Borough is applying to the Alaska Department of Environmental Conservation for loans to fund portions of the new wastewater collection and treatment systems in the villages of Wainwright and Anaktuvuk Pass. These projects will provide piped wastewater collection and treatment facilities.

Prior to approving a loan, the Department must review each project for compliance with the State environmental review procedures. A Finding of No Significant Impact (FONSI) was issued for these projects on September 21, 1995 by the Bureau of Indian Affairs (BIA). These projects will not directly or indirectly adversely effect cultural resource areas, endangered or threatened species or their habitat, or environmentally important natural resource areas.

These projects are not expected to have a significant adverse effect on the quality of the environment, either individually, cumulatively over time, or in conjunction with other federal, State, local, or private actions. Additional information detailing the environmental impacts of this project is available for review from the Department.

The Division of Facility Construction and Operation, within the Department of Environmental Conservation, having reviewed the Facility Planning documents and the Finding of No Significant Impact, is issuing this adoption of the previous federal determination for these projects in accordance with 18 AAC 76.040(f) and the environmental review procedures of the Alaska Clean Water Fund.

Application For Major Revision To Surface Coal Mining Permit

Publish Date: 07/23/99

Archive Date: 08/23/99

Location: Statewide

Body of Notice:

An application for a major revision of the Two Bull Ridge Mine permit (Permit No. S-0603) has been filed with the State of Alaska, Department of Natural Resources, by Usibelli Coal Mine, Inc., P.O. Box 1000, Healy, AK 99743. The proposed revision would authorize a change in location for a permanent out-of-pit spoil pile.

The Two Bull Ridge Mine is located approximately 100 miles south of Fairbanks, Alaska, and 3 miles northeast of Healy, Alaska. The mine is located within Township 11 South, Range 7 West, and Township 12 South, Range 7 West, Fairbanks Meridian. The land affected by this proposed revision is owned by the State of Alaska.

The proposed revision would re-locate a permanent out-of-pit spoil pile from the currently approved location north of the mine area, to a new location just west of the mine area. The revision would allow approximately 9.5 million cubic yards of spoil to be placed in the Badlands Creek Valley. No additional acreage would be added to the permit area, and the total acreage of disturbed land would decrease from 403 acres to 313 acres.

The application is currently being evaluated to determine if it meets the requirements of the Alaska Surface Coal Mining Program (AS 27.21 and 11 AAC Chapter 90).

Copies of the application and the existing mine permit are available for review at the Alaska Department of Natural Resources, Division of Mining, Land and Water, 3601 C Street, Suite 800, Anchorage, AK 99503-5935, and at the Department's Fairbanks office, 3700 Airport Way, Fairbanks, AK 99709. Copies of the application can also be downloaded at the following web site: http://www.dnr.state.ak.us/mine_wat. Comments regarding this revision should be sent to Ed Fogels at the Anchorage address listed above, or e-mailed to edf@dnr.state.ak.us. The deadline for comments is 4:30 pm, August 23, 1999. A person who may be adversely affected by the issuance of this permit may file written comments or objections and may include with an objection a request for an informal conference (AS 27.21.140).

For additional information, please contact Ed Fogels at (907) 269-8629 or e-mail at edf@dnr.state.ak.us.

Body of Notice:

Notice of proposed changes in the regulations of the Alaska Coastal Policy Council

Notice is given that the Alaska Coastal Policy Council, under the authority of AS 44.19.161, 46.40.010, 46.40.040, 46.40.096, and 46.40.100, proposes to adopt, amend, and repeal regulations in Title 6 of the Alaska Administrative Code, dealing with review of a project for consistency with the Alaska Coastal Management Program and petitions to the Coastal Policy Council, to implement, interpret, or make specific AS 46.40, including the following:

1. 6 AAC 50.310, eligibility to petition on a proposed consistency determination, is proposed to be amended by adopting new subsections clarifying the meaning of and providing threshold criteria for demonstrating status as a "citizen of an affected coastal district" with regard to a petition to the Coastal Policy Council;
2. 6 AAC 50.330, filing and distribution of petition on a proposed consistency determination, is proposed to be amended to clarify the requirements of a petition.

Notice is also given that any person interested may present written comments relevant to the proposed action, including the potential costs to private persons of complying with the proposed action, by writing to Randy Bates, Division of Governmental Coordination, Office of the Governor, P.O. Box 110030, Juneau, Alaska, 99811-0030, so that they are received no later than September 15, 1999.

The State of Alaska, Division of Governmental Coordination complies with Title II of the Americans with Disabilities Act of

1990. If you are a person with a disability who may need a special accommodation in order to participate in the process on the proposed regulations, please contact Randy Bates at (907) 465-8797 or via email at [mailto:randy_bates@gov.state.ak.us] no later than September 1, 1999, to ensure that any necessary accommodations can be provided.

This action is not expected to require an increased appropriation.

Copies of the proposed regulations may be obtained by writing to:

Randy Bates
Division of Governmental Coordination
Office of the Governor
P.O. Box 110030
Juneau, Alaska 99811-0030

After the close of the public comment period, the Coastal Policy Council will either adopt these or other proposals dealing with the same subject, without further notice, or decide to take no action on them. The language of the final regulations may vary from that of the proposed regulations. You should comment during the time allowed if your interests could be affected.

Body of Notice:

RFP No. 25-00-0048. The Department of Transportation and Public Facilities is soliciting proposals for road surface measuring (profiling and rut measurement) and data collection. The State desires that all field work be completed by October 15, 1999 and all deliverables must be received by December 31, 1999. Work will take place throughout the Central and Northern Regions of Alaska. The work will involve profiling to automatically collect International Roughness Index (IRI) and rut depth measurements on approximately 2,600 miles of State paved roads in Alaska. Data from this work will then be processed so that representative data for each given segment of the roads is supplied.

The RFP also contains an alternate additive option. It will be awarded at the discretion of the contracting agency if funding allows. If awarded, the offeror shall provide the Department with a video record of all roads on which data is collected as well as all necessary software for viewing the video record in an office environment with IBM compatible desktop PCs running Windows NT, Version 4 or newer. Video images shall be on a medium that allows random access. This work shall be performed concurrently with the collection of the IRI and rut depth measurements. The proposal due date is August 6, 1999. Copies of this solicitation can be obtained by contacting Greg Young or Russ Hansen; PHONE #907-465-8946/8948; FAX # 907-465-4010; TDD # 907-465-3652.

BIDDERS/OFFERORS WITH DISABILITIES: The State of Alaska complies with Title II of the Americans with Disabilities Act of 1990. The Department intends to enter into a negotiated agreement for professional services to assist DOT&PF and the City of Fairbanks to prepare an extensive and realistic plan for the future construction of transportation related improvements in the downtown area. The selected consultant team must demonstrate a strong background and professional experience with public involvement, community planning, urban traffic engineering and landscape architecture.

The project will entail working with the community to develop a vision for downtown transportation facilities and translating ideas into a set of realistic and achievable recommendations and proposed improvements for downtown streets, pedestrian corridors and transportation related amenities.

The estimated cost of the proposed consulting agreement is between \$250,000 and \$300,000.

The Request for Proposal (RFP) package will be available July 26, 1999, and may be obtained in person from the Contracts Engineer, Department of Transportation & Public Facilities, Engineering Services Building, Room 3, 2301 Peger Road, Fairbanks, Alaska. Persons residing outside the City of Fairbanks may obtain an RFP package through the mail by telephoning (907) 451-2247. Walk-in and telephone service is available during the hours of 8:00 am and 12:00 p.m. and 1:00 p.m. to 4:30 p.m., Monday through Friday.

Proposals must conform to the RFP and be submitted with specified forms.

Submittals must be received at the address indicated on the RFP no later than 4:00 p.m., August 16, 1999.

The DOT&PF assures that for any agreement entered pursuant to this RFP, Female and Minority Disadvantaged Business Enterprises will be afforded full opportunity to submit proposals and will not be discriminated against on the grounds of race, color, religion, national origin, sex, age, or handicap in consideration for the agreement.
