RE: Notice of Penalty Assessment – 105-day Report

To Whom It May Concern:

According to Alaska Public Offices Commission (APOC) records, you did not timely file your 105-day Campaign Disclosure Report, due January 20, 2026, until January 21, 2026, making it one day late. By law a maximum penalty of \$50.00 accrues each day the report is late.<sup>1</sup> The maximum civil penalty APOC could assess you is \$50.<sup>2</sup>

APOC staff is reducing the penalty to 50% of the maximum that could have been assessed because the missing information had a value under \$100.<sup>3</sup> **Accordingly, the assessed penalty owed is \$25.**

Additionally, please be advised:

- 1) You may pay the assessed penalty and avoid formal Commission action by sending payment by check or money order payable to the “State of Alaska” to our office at the address above; visiting our [website](#)<sup>4</sup> to make a payment by credit card; or by paying in cash at our offices. **Payment must be made within thirty days of the date of this letter.** If you are unable to pay the entire assessed penalty in a single payment and wish to discuss a payment plan, or have any other question concerning this matter, please contact the APOC staff.

<sup>1</sup> AS 15.13.390(a).

<sup>2</sup> 2 AAC 50.855(a).

<sup>3</sup> 2 AAC 50.855(b)(2)(C)(ii).

<sup>4</sup> <https://aws.state.ak.us/ApocReports/Paper/CommissionCivilPenalties.aspx>

PLEASE NOTE: credit card payments cannot be made by phone; they must be made online.

- 2) Alternatively, you have the right to appeal staff's conclusion that a violation has occurred or the penalty amount assessed.<sup>5</sup> **If you wish to appeal you must submit the enclosed appeal affidavit to APOC within thirty days of the date of this letter.**

If you appeal, staff will review your affidavit and prepare a recommendation for the Commission. You will receive a copy of that recommendation and notice of when the Commission will meet to consider the matter. You will have the opportunity to participate in the meeting either in person or telephonically.

Failure to respond to this notice by either making arrangement for payment within thirty days or submitting an appeal within thirty days will result in staff presenting this matter to the Commission for a final order in the amount of the assessed penalty and referral to the Attorney General's Office.<sup>6</sup>

A copy of this letter will be placed in your APOC file and is considered a public document. If you have any questions about this matter, please contact APOC staff.

## **2 AAC 50.865. Mitigating factors; aggravating factors**

(a) A civil penalty determined under 2 AAC 50.855 may be reduced by up to 50 percent if

(1) a person required to file a statement or other filing

(A) has a good filing history; in this subparagraph, "good filing history" means

(i) no late filings in the immediately preceding five years; and

(ii) for groups, no more than \$500 in non-administrative activity shown on the group's overdue report; or

(B) is an inexperienced filer; in this subparagraph, "inexperienced filer" means a person required to file reports under this chapter if that person has been subject to a registration or reporting requirement for less than 365 days, or a person engaged in the person's first election cycle;

(2) a technical error at the commission, including a communication, facsimile machine, computer program, electronic filing system, or other equipment problem may have contributed to the late or incomplete filing;

(3) any unreported or mistakenly reported information had a value of \$100 or less; or

(4) any unreported or mistakenly reported information had a value higher than \$100 but no more than \$1,000, and a factor listed in (b) of this section also applies.

(b) A civil penalty determined under 2 AAC 50.855 may be reduced by a percentage greater than 50 percent, or waived entirely based on the following factors:

(1) the person required to file, or a family member of the person required to file, experienced a personal emergency, including a call for military service, a natural disaster, a civil disturbance, or an incapacitating illness that prevented the person from filing on or before the due date; this mitigating factor is only available to a natural person;

(2) a significant cause of the late filing is commission staff error, including

(A) furnishing reporting materials too late for filing on or before the due date;

(B) giving incorrect oral or written information to a person required to submit a statement or other filing; or

(C) failing to deliver required notices when due;

(3) a late or erroneous report included only administrative costs;

(4) a late or incomplete report did not cause significant harm to the public, and aggravating factors under (d) of this section do not exist; for purposes of this paragraph, a late or incomplete report did not cause significant harm to the public if

(A) the dollar amount missing from a form or disclosure is \$100 or less;

(B) the dollar amount for the information missing from a form or disclosure is more than \$100 but no more than \$1,000, and the person required to file self-reported the error; for purposes of this subparagraph, the error is self-reported if the person notified the staff of the error, but filing the late or missing information without notifying the staff does not constitute self-reporting; or

(C) except for a disclosure that must be submitted within 24 hours under AS 15.13.110 or 15.13.040, the missing or incomplete information is readily available to the public through another forum;

(5) the civil penalty assessment is significantly out of proportion to the degree of harm to the public for not having the information; for purposes of this paragraph, absent the presence of aggravating factors in (d) of this section, an assessed penalty is significantly out of proportion if it exceeds the value of the transactions that were not reported or were reported late, or, in the case of seven-day or 24-hour reports, exceeds twice the value of the transactions that were not reported or were reported late; or

(6) a unique circumstance justifies reducing or waiving the penalty.

(c) The commission will not accept any of the following as mitigating factors to reduce the amount of a penalty:

(1) relying on another person or mailroom to mail, postmark, or submit the statement on or before a due date;

(2) forgetting to file;

(3) being a volunteer;

(4) having no change in reportable information from previous filed statements;

(5) relying on the responsible person's staff to remind the person of the filing deadline or to complete or file the report;

(6) being too busy to file;

(7) absence caused by travel, unless the travel was unplanned or unavoidable, including travel for a personal emergency, or weather-related travel problems.

(d) A civil penalty determined under 2 AAC 50.855 may be increased to the maximum amount allowed under the applicable statute if a person required to file a statement or other filing has

(1) failed to substantially comply with financial disclosure requirements by omitting a significant source of income, interest in real property, business interest, loan, trust, or other substantial financial interest; in this paragraph, "substantial financial interest" means an interest with a value greater than \$1,000; or

(2) a poor reporting history; indicators of a poor reporting history include any of the following:

(A) more than one late filing in the immediately preceding five years;

(B) evidence suggesting deliberate non-reporting;

(C) failure to cooperate with the staff;

(D) a violation of any provision of AS 15.13, AS 24.45, AS 24.60.200 - 24.60.260, AS 39.50, or this chapter in the preceding five years.

### How to Fix It

The address may be misspelled or may not exist. Try one or more of the following:

- Send the message again following these steps: In Outlook, open this non-delivery report (NDR) and choose **Send Again** from the Report ribbon. In Outlook on the web, select this NDR, then select the link "**To send this message again, click here.**" Then delete and retype the entire recipient address. If prompted with an Auto-Complete List suggestion don't select it. After typing the complete address, click **Send**.
- Contact the recipient (by phone, for example) to check that the address exists and is correct.
- The recipient may have set up email forwarding to an incorrect address. Ask them to check that any forwarding they've set up is working correctly.
- Clear the recipient Auto-Complete List in Outlook or Outlook on the web by following the steps in this article: [Fix email delivery issues for error code 5.1.1 in Office 365](#), and then send the message again. Retype the entire recipient address before selecting **Send**.

If the problem continues, forward this message to your email admin. If you're an email admin, refer to the **More Info for Email Admins** section below.

## More Info for Email Admins

Status code: 550 5.1.1

This error occurs because the sender sent a message to an email address outside of Office 365, but the address is incorrect or doesn't exist at the destination domain. The error is reported by the recipient domain's email server, but most often it must be fixed by the person who sent the message. If the steps in the **How to Fix It** section above don't fix the problem, and you're the email admin for the recipient, try one or more of the following:

**The email address exists and is correct** - Confirm that the recipient address exists, is correct, and is accepting messages.

**Synchronize your directories** - If you have a hybrid environment and are using directory synchronization make sure the recipient's email address is synced correctly in both Office 365 and in your on-premises directory.

**Errant forwarding rule** - Check for forwarding rules that aren't behaving as expected. Forwarding can be set up by an admin via mail flow rules or mailbox forwarding address settings, or by the recipient via the Inbox Rules feature.

**Mail flow settings and MX records are not correct** - Misconfigured mail flow or MX record settings can cause this error. Check your Office 365 mail flow settings to make sure your domain and any mail flow connectors are set up correctly. Also, work with your domain registrar to make sure the MX records for your domain are configured correctly.
