4 AAC 04.160, Alternate Performance Standards

Publish Date: 12/29/99

Archive Date: 03/26/2000

Location: Statewide

Body of Notice:

Notice is given that the State Board of Education, under the authority of AS 14.07.020 and AS 14.07.060, proposes to amend regulations in 4 AAC 04.160, Alternate Performance Standards, by:

Adding a section which adopts by reference performance standards for students with significant cognitive

disabilities.

Notice is also given that interested persons may present written comments relevant to the proposed action, including the potential costs to private persons of complying with the proposed action, by writing to: Commissioner's Office, Department of Education & Early Development, Attn.: Regulations Review, 801 West Tenth Street, Suite 200, Juneau, Alaska, 99801-1894, so that your comments are received no later than 4:30 p.m. on March 10, 2000. Additionally, any person may present oral comments relevant to the proposed action, including the potential costs to private persons of complying with the proposed action, at an oral hearing during the next regularly scheduled meeting of the Alaska State Board of Education March 24, 2000, at 8:30 a.m. in the state board room, 801 West Tenth Street, Juneau, Alaska. Written comments will not be accepted at the oral hearing.

If you are a person with a disability who may need a special accommodation in order to participate in the process on the proposed regulations, please contact Jesse Kiehl at 907-465-2801, or e-mail <jesse_kiehl@eed.state.ak.us>, no later than March 3, 2000, to ensure that any necessary accommodations can be provided.

This action is not expected to require an increased appropriation.

Copies of the proposed regulations may be obtained by writing to the Commissioner's Office at the address above, e-mailing <jesse_kiehl@eed.state.ak.us>, or calling 907-465-2801, and they can be found on the Department of Education & Early Development's web site: <<http://www.eed.state.ak.us>>.

The State Board of Education & Early Development, after the oral hearing mentioned above, will either adopt these or other proposals dealing with the same subject without further notice or decide to take no action on them. The language of the final regulations may vary from that of the proposed regulations. You should comment during the time allowed if your interests could be affected.

**Location: Anchorage,
Fairbanks, Juneau, Kodiak,
Other**

Body of Notice:

The State of Alaska, Department of Environmental Conservation, is seeking response from vendors (consultants) who may be interested in bidding on a prospective air quality project for the development of an emission inventory of toxic air pollutants in Alaska.

The objective of the "Air Toxics Emission Inventory Project" is to provide assistance to the department in the development of an emission inventory of toxic air pollutants in Alaska. The inventory will focus on urban areas (Anchorage and Fairbanks), as well as a smaller marine community (e.g. Kodiak, Juneau), and typical rural Alaskan sources. The inventory will include analysis of mobile, area, and stationary sources for the toxic air pollutants listed by the Environmental Protection Agency. Technical services will include development of an emission inventory preparation and quality assurance plan, collection of data needed for estimating emissions, development of emission estimates, and reporting emissions.

In order to qualify for this project, a vendor must have previous experience in the following areas:

Two years experience in assessing or analyzing air toxics emissions, controls, or related issues.

One year experience in developing mobile source emission estimates or inventories using EPA approved methodologies.

One year experience in developing area source emission estimates or inventories using EPA approved methodologies.

One year experience in developing stationary source emission estimates or inventories using EPA approved methodologies.

Vendors who are potentially interested in bidding on this project should send written notice to: Alice Edwards, Air Non-Point & Mobile Sources, Department of Environmental Conservation, 410 Willoughby Avenue, Suite 105, Juneau, AK 99801-1795. Notice may also be sent via FAX (907-465-5129) or e-mail (aedwards@envircon.state.ak.us). Respondents should state that they are potentially interested in bidding on the "Air Toxic Emission Inventory Project" and provide a contact name, address, telephone number, and fax number. The deadline for submitting a notice of potential interest is 4:00 p.m. January 10, 2000.

Body of Notice:

Pursuant to AS 38.05.035(e), AS 38.05.810(a), and the applicable regulations, the Northern Regional Office (NRO) of the Division of Mining, Land, and Water has made a Preliminary Finding and Decision to convey approximately 0.680 acres of land to the Stevens Village IRA Council. The purpose of the proposed conveyance is for constructing and operating a youth recreation facility. The property is located within Stevens Village, and is better described as USS 4035, within Section 30, Township 14 North, Range 7 West, Fairbanks Meridian.

In accordance with AS 38.04.065 and 11 AAC 55, the Division has also prepared a Draft Site Specific Plan which proposes to classify the parcel

as Settlement Land. This classification will allow the site to be conveyed, as requested.

A copy of the decision document and draft site-specific plan, along with any further information related to the proposed action can be obtained by contacting Robert Layne of the Northern Regional Office at the above address or telephone number.

Objections or comments pertaining to the above, proposed action must be received in writing by the Northern Regional Office before 5:00 PM on January 28, 2000, in order to ensure consideration. To be eligible to appeal decisions, a person must comment during the comment period.

If public comment, in response to this notice, indicates the need for significant changes to the Preliminary Finding and Decision, additional public notice will be given on or about February 28, 2000. If no significant change is required, the Preliminary Finding and Decision, including any minor changes, will be issued as a Final Finding and Decision.

The State of Alaska complies with Title II of the American Disabilities Act of 1990. The state is prepared to accommodate individuals with disabilities by providing auxiliary aids when requested. Individuals with audio impairments who wish to respond to this proposed action by telephone may call the NRO Information Counter in Fairbanks between the hours of 8:00 am and 5:00 pm, M-F, at TTY (907) 451-2770.

Alaska Coastal Management Program

The Alaska Coastal Policy Council (CPC) approved the revised regulations at 6 AAC 50 clarifying the meaning of and providing threshold criteria for demonstrating status as a citizen of an affected coastal district with regard to a petition to the CPC, for incorporation into the Alaska Coastal Management Program (ACMP) on November 10, 1999.

The State of Alaska, Office of the Governor, Division of Governmental Coordination (DGC), considers the incorporation of these regulations into the ACMP to be a matter of routine program change. Pursuant to 15 CFR 923.84, DGC has asked the Office of the Ocean and Coastal Resource Management (OCRM), U.S. Department of Commerce to concur with this determination.

The OCRM is now reviewing this request. Comments regarding whether the incorporation of the revised regulations at 6 AAC 50 into the ACMP constitute a routine program change may be submitted to:
