

TOWNHALL MEETING

ADF&G Commissioner Vincent-Lang

Monday, November 27, 2023, at 6:30 pm

Land's End, 4786 Homer Spit Rd, Homer, AK 99603

TOPIC OF DISCUSSION

Bycatch management is an important and challenging issue for the State of Alaska. Bycatch occurs in all fisheries and managers must balance many conservation and economic factors when establishing regulations. Attend this town hall meeting with ADF&G Commissioner Vincent-Lang to share your ideas for strengthening Gulf of Alaska fishery management programs to support sustainable fisheries and communities.
