

Notice of Utility Tariff Filings

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that the Alaska Communications (ACS) local exchange companies listed in the table below have filed tariff revisions to revise the Network Access Fee (NAF) and Carrier of Last Resort (COLR) levels. The filings were submitted in compliance with regulations adopted in Docket Nos. R-08-003 and R-09-003 that increased the NAF and implemented the COLR support mechanism. The current filings increase the NAF from \$5.25 per month to \$5.75 per month. The NAF affects all end users that subscribe to local exchange telephone service.

The filings include proposed COLR support amounts. The monthly COLR support amounts are intended to help carriers meet their Carrier Common Line revenue requirements and will be paid through the Alaska Universal Service Fund. The following table displays each carrier's requested COLR support amounts, calculated in accordance with 3 AAC 53.345(e).

Local Exchange Carrier	Filing	Monthly COLR Support Amount
