Alaska Healthcare Associated Infection (HAI) Plan

Amendment #1

Amendment Issue Date: July 6, 2015

Please alter the following language to match the amendment.

IMPORTANT NOTE TO OFFERORS: Only the following items referenced in this amendment are to be changed. All other sections of the RFIP remain the same. A copy of the amendment is available on the State's Online Public Notice website.

- **Responses to questions submitted by interested parties**

Q1: Please define the word "experience" in the minimum qualifications section, on page 9. Must experience be employment or can it be collaboration with a state or local health department HAI program? Does being a member of the current Infection Control and Prevention Advisory Council (ICPAC) committee count as experience?

A1: Experience is defined as any combination of employment and/or professional consultation.
