

Title 5. Fish and Game.

Chapter 39. General Provisions.

Article 1. General.

5 AAC 39.130(b) is amended to read:

5 AAC 39.130. Reports required of fishermen, processors, buyers, exporters, and operators of certain commercial fishing vessels; transporting requirements.

(b) An individual, company, firm, or other organization described in (a) of this section that intends to use the eLandings Electronic Reporting System [FOR THE CURRENT YEAR] shall access the system by completing an operator documentation and user agreement on the Interagency eLandings Electronic Reporting System's website. **Beginning January 1, 2016, in addition to the other requirements of this section, an individual, company, firm, or other organization described in (a) of this section that the commissioner determines has submitted 2,000 salmon harvest fish tickets or bought more than 20 million pounds of salmon during any of the previous three calendar years shall thereafter use the tLandings application for all salmon deliveries. In addition to the other requirements of this section, a first purchaser shall use the tLandings application for all groundfish delivered to a tender vessel.**
