Re: Designation of State Liaison Officers

Dear Ms. Droge:

In accordance with requirements for the Land and Water Conservation Fund (LWCF) program, and as Governor of the State of Alaska, I have designated the following positions within the Division of Parks and Outdoor Recreation (DPOR) as State Liaison Officer and Alternates.

The Director of the DPOR, under the State of Alaska Department of Natural Resources (DNR), is hereby designated as State Liaison Officer for purposes of the LWCF program. The Administrative Operations Manager and the Grants Administrator, both within the DPOR, are designated as Alternate State Liaison Officers. Please note the authority rests with the position in each case, not specifically with a named individual.

If you have questions, please contact LWCF Grants Administrator and current Alternate State Liaison Officer, Jean Ayers, at jean.ayers@alaska.gov or call 907-269-8694.

Sincerely,

A handwritten signature in blue ink that reads "Bill Walker".
