OF THE BOARD OF MASSAGE THERAPISTS

The attached eleven pages of regulations, dealing with licensing and practice of massage therapists, including initial license application, transitional license, criminal justice information, license renewal, continuing education requirements, audit and documentation, code of ethics and standards of practice, and definitions, are hereby certified to be a correct copy of the regulation changes that the Board of Massage Therapists adopted at its July 22-23, 2015 meeting, under the authority of AS 08.01.010, AS 08.01.065, AS 08.01.100, and AS 08.61 and after compliance with the Administrative Procedure Act (AS 44.62), specifically including notice under AS 44.62.190 and 44.62.200 and opportunity for public comment under AS 44.62.210.

This action is not expected to require an increased appropriation.

On the record, in considering public comments, the Board of Massage Therapists paid special attention to the cost to private persons of the regulatory action being taken.

The regulation changes described in this order take effect on the 30th day after they have been filed by the lieutenant governor, as provided in AS 44.62.180.

Re: Regulations re: licensure, ethics, and definitions (12 AAC 79.100 - 12 AAC 79.130; 12 AAC 79.900 - 12 AAC 79.990)

We have reviewed the attached regulations from the Board of Massage Therapists against the statutory standards of the Administrative Procedure Act. I have reviewed this project under a specific delegation dated December 14, 2015 from the Regulations Attorney. Implementing, interpreting, and making specific AS 08.61, enacted under sec. 4, ch. 114, SLA 2014, and related temporary law transition provisions under sec. 10, ch. 114, SLA 2014, the regulations establish procedures and requirements for licensure of massage therapists, adopt by reference a code of ethics, and adopt related definitions.

We have received confirmation from agency staff to defer our review of 12 AAC 79.200 - 12 AAC 79.220 (license renewal and continuing education) to a Part 2 of this project, pending additional board work on those provisions. We find no legal problems with Part 1 of the regulations. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations.

The June 17, 2015 public notice and the September 4, 2015 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. The corrections are shown on the attached copy of the regulations.

The Board recessed for lunch at 11:42 a.m.

AGENDA ITEM - ORAL HEARING / PUBLIC TESTIMONY

Chairperson Unser asked the Board to introduce themselves to the members of the public that were in attendance. She explained the process of public testimony and that all comments would be considered by the Board.

Elizabeth Pearch thanked the Board and Staff for their service. She believes that the licensing movement is positive and she is excited about the possibilities.

Kim Royce thanked the Board for establishing and creating standards for the program. Membership in ABMP does not make a person a massage therapist. She asked what the state will do to document and keep track of CEU's. Ms. Royce believes that the personal fitness questions should be more detailed and referenced Washington's application. She recommended that volunteers be used to assist the Board.

Volker Hruby spoke to the Board and introduced himself.

Amanda Williams spoke to the Board. Ms. Williams feels that the fingerprinting is an invasion of privacy. She believes that CEU's are too expensive to obtain out of state and hopes there will be better CE providers in the future. She is confused regarding the fees for fingerprinting.

Katie is all for the regulations and appreciates that regulation will bring a higher quality of massage therapists to Alaska.

Daniel Russell spoke to the Board and asked for a waiver for people who live in villages and do not have many customers. Mr. Russell would like for the national exam to be in other languages other than English or Spanish or that applicants have the opportunity to bring in a translator for any required exams. Mr. Russell stated that no one in Alaska had been injured by a Massage Therapist and asked his Senator to repeal the Massage Therapist regulations that were passed in House Bill 328. He stated that he does not recognize the Board's authority.

Brock Ingmeyer spoke to the concerns of Mr. Russell regarding the exam. The exam is in line with the practitioners needs and the two recognized languages for the exam are English and Spanish. He encouraged practitioners to contact BMTMB with further concerns.

Tara Lea spoke to the Board about her Massage Therapist history and feels that therapists in Alaska are unique and those therapists in Alaska do not injure people. She is Alaskan because she does not want her freedoms taken away from her and feels that the licensing program is taking away her freedom to practice due to proposed regulations.

There were no further comments and Chairman Unser closed the public comment period.

AGENDA ITEM - DISCUSSION OF COMPLIANCE AND EXEMPTIONS

Ms. Unser wanted to clarify through AK Statute Sec. 08.61.080 that anyone performing massage therapy in conjunction with one of the exemptions listed in statute must still obtain a massage therapist license. If someone is performing one of the exemptions exclusively, then they will not need to obtain a license.

Ms. Unser stated that there are some therapists who may try to avoid licensure by becoming Chiropractic Assistants. Sec. 08.61.100 (5)(A)(B) define massage therapists as:

Sec 08.61.100 (5) "practice of massage therapy" means the provision, for compensation, of a service involving the systematic manipulation and treatment of the soft tissues, including the muscular and connective tissues of the human body, to enhance the functions of those tissues and promote relaxation and well-being; in this paragraph, "manipulation and treatment"

- (A) includes manual techniques applied with the intent to physically affect local soft tissues, such as pressure, friction, stroking, percussion, kneading, vibration, muscular assessment by palpation, range of motion for purposes of demonstrating muscle exertion for muscle flexibility, nonspecific stretching, and application of superficial heat, cold, water, lubricants, or salts;***
- (B) does not include diagnosis, the prescription of drugs or medicines, the practice of physical therapy, attempts to manipulate any articulation of the body or spine, or mobilization of these articulations by use of a thrusting force.***

Failure to obtain a license when performing massage therapy may result in a misdemeanor.
