Administrative Procedures Act Regulations Project Post-Filing Notice

The regulation-adoption process for regulations project JU2015200669, Omnibus licensure requirements and procedures for marijuana establishments has been completed. These regulations relate to marijuana licensing and fees, as well as local options for local governments to "opt out" of having certain kinds of marijuana establishments, rules for retail marijuana stores, cultivation facilities, product manufacturing facilities, and testing facilities, operating requirements for all marijuana establishments, enforcement provisions and general provisions including definitions. The regulations take effect on February 21, 2016.

DATE: January 27, 2016

A handwritten signature in black ink, appearing to read "C. Franklin", written over a horizontal line.

Cynthia A. Franklin, Director

Marijuana Control Board
