Modifying the Funding Formula

The Alaska State Plan for Senior Services Advisory Committee

Process Overview

- Alaska State Plan for Senior Services was approved in July 2015 and included a Transition Period
 - Phase-Out of Hold Harmless Provision in FY2017
- Alaska State Plan Advisory Committee Funding Formula Task Force convened to amend the funding formula as stated in the current Plan.
- Four Proposed Amendments
 - Modernize the definition of rural
 - Subdivide Department of Health and Social Services, Region V
 - Implement a "base funding allocation"
 - Revise weights for funding formula factors
- Working with Department of Health and Social Services
 Commissioner's Office & Administration on Community Living
- 30-Day Public Comment ends at 5:00 p.m. on June 10, 2016

Proposed Funding Formula Amendments

Modernize the definition of "rural" to include a "remote" classification.

- New definition based on the classification system developed by the Office of Management and Budget for Metropolitan, Micropolitan, and Neither (http://www.whitehouse.gov/sites/default/files/omb/assets/fedreg_2010/06282010_metro_s tandards-Complete)
- Applies the weight factor to Alaska's census districts using the new urban-ruralremote classification:
 - **Urban districts** Anchorage Municipality, Fairbanks North Star Borough, & Matanuska-Susitna Borough receive **zero value**.
 - Rural districts City & Borough of Juneau, Ketchikan Borough, and Kenai Peninsula Borough receive one-half of the assigned value.
 - Remote districts: All other census districts in Alaska are designated as remote and receive the full assigned value.
- Cost-of-living factor removed.

Subdivide Alaska's Region V into two subsets to include the Matanuska-Susitna as Region V(a) and Kenai/Valdez/Cordova as Region V(b) because:

- Mat-Su is distinct from the Kenai/Valdez/Cordova census districts with respect to industry, distance from urban areas, and population size and;
- Based on population size, the Mat-Su is now classified "urban" while Kenai is considered "rural." Valdez and Cordova are considered "remote."

Implement a base funding allocation using federal Older Americans Act funds appropriated for Alaska to replace the hold harmless provision.

- Provides a funding formula that is responsive to shifts in regional population growth while acknowledging the need for stable operational base funding.
- All State General Funds will be distributed using the amended funding formula.
- Federal Older American Act funds will comprise the "regional base funding."

Adjustment of weights for the funding formula factors

Weight Factor	Funding Formula FY2016	Amended for FY2017-2019
