

**ALASKA COURT SYSTEM (ACS)**  
**ADDENDUM #1**  
**Invitation to Bid #PAL-S-16-0011**

*For SERVICE CONTRACT*

Addendum issued Date: **August 17, 2016**

Location: **Palmer, Alaska**

To All Bid Package Holders:

The following changes, additions, and/or deletions are hereby made a part of the Invitation to Bid (ITB) for the above service contract as fully and completely as if the same were fully contained therein.

Please acknowledge this amendment under Item #III on the Contractors' Bid Form. **All other terms, conditions, and specifications of the original ITB remain unchanged.**

**Submittal deadline remains the same.**

**A. Changes to Bid Documents:**

**1. Technical Requirements, Item 2, paragraph A. Revise paragraph A to read:**

“Significant Snowfall” is the accumulation of 2 inches or greater depth of snow *in a 24 hour period starting at 6 pm. each day* as measured in any parking lot under this contract at the **Palmer Courthouse**. Without the approval of the contracting officer, the Contractor may not invoice for work exceeding the number of snowfalls per month and amount of inches of snowfall precipitation per 24 hour period found on the website located at <http://www.arh.noaa.gov/climate.php?stnid=PAAQ&mon=1&yr=2009&obs=true&precip=true>. (In the drop down boxes at the top, enter “Palmer” and the dates, and then check the “observed” box and the “Precipitation” box)”

**2. Technical Requirements, Item 2, paragraph B. Revise paragraph A to read:**

“Snowplowing, Stacking, and Removal” means all plowing, and stacking of snow that has fallen on the parking lots and driveways, removal of snow from the premises, and removal of built-up, packed snow or ice from plowed areas. Contractor must automatically plow and remove snow from driveways and parking lots upon a significant snowfall in an evening, as measured in any parking lot under this contract at the **Palmer Courthouse**. Contractor must assure that after plowing there is no built-up or packed snow and/or ice from plowed areas greater than 1” deep. If packed snow and ice greater than 1”, Contractor will remove within 24 hours of notice from ACS, at no additional cost to ACS, down to less than 1” depth.”
