The Alaska Department of Natural Resources (ADNR), Division of Oil and Gas (Division), has received a Unit Plan of Operations amendment application (LONS 94-017) from Hilcorp Alaska, LLC (Hilcorp), dated September 12, 2016, requesting to increase the surface area of E Pad and add up to eight development wells on the pad in the Milne Point Unit (MPU). The Division is providing public notice and an opportunity to comment.

Applicant: Hilcorp Alaska, LLC, PO Box 244027, Anchorage, AK 99524
Contact: Deborah Heebner, (907) 670-3382

Project ID: LONS 94-017

Location: Umiat Meridian, Township 13N, Range 10E, Section 25

Description: MPU E Pad Extension and Development Wells

Hilcorp Alaska, LLC requests authorization to increase the surface area of E Pad in the MPU by approximately 1.59 acres. This additional surface area will be used to accommodate drill rig access to drill the additional development wells and to provide space for emergency vehicles and other associated servicing equipment to maneuver around the drill rig.

The application package is available for review at the Division of Oil and Gas, 550 West 7th Avenue, Suite 1100, Anchorage, Alaska 99501 or online at: <http://www.dog.dnr.alaska.gov/Permitting/Permitting.htm#permittingnotices>.

Please send comments to the Division by email to dog.permitting@alaska.gov, or by regular mail to the Division address above. All comments must be in writing. A copy of the final decision will be sent to any person who provides written comments. Under 11 AAC 02.010(d), only persons who comment in writing during the public comment period will be eligible to file an administrative appeal or request reconsideration of the final decision.

All comments must be received by the Comment Deadline: 4:30 pm, Alaska Standard Time, October 26, 2016.

The ADNR complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services, or special modifications to participate may contact the number TTY 907-269-8411 or address above.
