Development regulations re: repeal of  
provisions regarding the minimum  
expenditure for instruction and update  
to provisions regarding budget review  
(4 AAC 09.115; 4 AAC 09.120)

We have reviewed the attached regulations from the State Board of Education and Early Development against the statutory standards of the Administrative Procedure Act. I have reviewed this project under a specific delegation dated January 24, 2017 from the Regulations Attorney. Reflecting the repeal of AS 14.17.520 (minimum expenditure for instruction) under sec. 22, ch. 54, SLA 2016, the regulations repeal 4 AAC 09.115, the corresponding regulatory section on the former minimum expenditure for instruction, and make conforming and other changes to 4 AAC 09.120, the regulatory section addressing budget reviews.

We find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations.

The October 4, 2016 public notice and the December 16, 2016 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

NOTICE OF PROPOSED CHANGES TO REQUIRED MINIMUM EXPENDITURE  
FOR INSTRUCTION IN THE REGULATIONS OF  
THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

BRIEF DESCRIPTION

In its 2016 session, the legislature repealed AS 14.17.520, which required each school district to spend a minimum of 70 percent of its budget for instruction. The proposed revisions will conform the regulations to the statutory change.

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code dealing with the required minimum expenditure for instruction, including the following:

1. 4 AAC 09.115 is proposed to be repealed, as no longer necessary. 4 AAC 09.115 explains how the minimum expenditure for instruction was calculated under AS 14.17.520, which was repealed by the 2016 legislature.
2. The proposed amendments of 4 AAC 09.120 remove the minimum expenditure for instruction requirement and the possible waiver of that requirement from the department's review of school district budgets. Under 4 AAC 09.120, as amended, the department will continue to review district budgets for compliance with other budget review standards.

The Department of Education and Early Development invites the public to submit written comments during the written comment period, which begins with the date of this notice and ends on November 4, 2016, at 4:30 p.m. The written comment period closes in advance of the meeting of the State Board of Education and Early Development at which the board will consider the adoption of the proposed regulations. This allows the Department of Education and Early Development an opportunity to prepare changes based on written comment and to distribute any proposed changes to the board for its consideration prior to the meeting.

You may comment in writing on the proposed regulation changes, including the potential costs to private persons of complying with the proposed changes, by submitting written comments to the Commissioner's Office, Department of Education and Early Development, Attn: Regulations Review, 801 West Tenth Street, Suite 200, PO Box 110500, Juneau, Alaska 99811-0500.

If a question is relevant to the proposed change in the regulations and the question is received by October 25, 2016, which is 10 days before the end of the public comment period, the department will make a good-faith effort to answer the question before the end of the public comment period.
