(c) An applicant for an onsite consumption endorsement must file an application on a form the board prescribes, including the documents and endorsement fee set out in this section, which must include

(1) the applicant’s operating plan, in a format the board prescribes, describing the retail marijuana store’s plan for

(A) security, in addition to what is required for a retail marijuana store, including:

(i) doors and locks;
(ii) windows;
(iii) measures to prevent diversion; and
(iv) measures to prohibit access to persons under the age of 21;

(C) isolation of the marijuana consumption area from other areas of the retail marijuana store. The marijuana consumption area must

(e) The non-refundable fee for a new or renewal onsite consumption endorsement is $1,000.

(f) The retail marijuana store holding an onsite consumption endorsement under this chapter shall

(1) destroy all unconsumed marijuana left abandoned or unclaimed in the marijuana consumption area in accordance with the operating plan and 3 AAC 306.740;

include in the security plan how the licensee intends to restrict access to the
marijuana consumption area to persons under the age of 21;

monitor patrons for overconsumption;

display all warning signs required under 3 AAC 360.360 within the marijuana
collection area, visible to all consumers;

provide written materials containing marijuana dosage and safety information
for each type of marijuana or marijuana product sold for consumption in the marijuana
collection area at no cost to patrons; and

label all marijuana or marijuana product sold for consumption on the premises
as required in 3 AAC 306.345.

The right of local governments to protest the issuance or renewal of individual retail
marijuana store onsite consumption endorsements is separate from the right to protest the
issuance of a retail marijuana store license. Not later than 60 days after the director sends notice
of an application for a new or renewal onsite consumption endorsement, a local government may
protest the application by sending the director and the applicant a written protest and the reasons
for the protest. The director may not accept a protest received after the 60-day period. If a local
government protests an application for a new or renewal onsite consumption endorsement, the
board will deny the application unless the board finds that the protest is arbitrary, capricious and
unreasonable.

A local government may recommend that the board approve an application for a new
or renewal onsite consumption endorsement with conditions. The board will impose a condition
recommended by a local government unless the board finds the recommended condition to be
arbitrary, capricious and unreasonable. If the board imposes a condition recommended by a local
government, the local government will assume responsibility for monitoring compliance with the condition unless the board provides otherwise.

(i) The holder of an onsite consumption endorsement must apply for renewal annually at the time of renewal of the underlying retail marijuana store license.

3 AAC 306.990 (b) is amended to add the following subsections:

(27) “marijuana consumption area” means a designated area within the licensed premises of a retail marijuana store that holds a valid onsite consumption endorsement, where marijuana and marijuana products, excluding marijuana concentrates, may be consumed.

(28) “retail marijuana store premises” means an area encompassing both the retail marijuana store and any marijuana consumption area.
