**3 AAC 306.660. Failed materials; retests** (a) If a sample tested by a marijuana testing facility does not pass the required tests based on the standards set out in 3 AAC 306.645, the marijuana establishment that provided the sample shall

(1) dispose of the entire harvest batch or production lot from which the sample was taken; and

(2) document the disposal of the sample using the marijuana establishment's marijuana inventory tracking system; **and**

**(3) notify the director in writing within 24 hours if the amount destroyed totals more than one ounce.**

(b) If a sample of marijuana fails a required test, any marijuana plant trim, leaf, and other usable material from the same plants automatically fail the required test. The **director** [BOARD] may approve a **written** request, **on a form prescribed by the board,** to allow a batch of marijuana that fails a required test to be used to make a carbon dioxide- or solvent-based extract. After processing, the carbon dioxide- or solvent-based extract must pass all required tests.

(c) If a marijuana cultivation facility or a marijuana product manufacturing facility **submits a written request on a form prescribed by the board** [PETITIONS] for a retest of marijuana or a marijuana product that failed a required test, the **director** [BOARD] may authorize a retest to validate the test results. The marijuana cultivation facility or a marijuana product manufacturing facility shall pay all costs of a retest.

3 AAC 306.740 Waste Disposal is amended to read:

(a) A marijuana establishment shall store, manage, and dispose of any solid or liquid waste, including wastewater generated during marijuana cultivation production, processing, testing, or retail sales, in compliance with applicable federal, state, and local statutes, ordinances, regulations, and other law

(b) Marijuana waste must be rendered unusable for any purpose for which it was grown or produced before it leaves a marijuana establishment. Marijuana waste includes

(1) marijuana plant waste, including, [ROOTS] stalks, leaves, and stems that have not been processed with solvent;

(2) solid marijuana sample plant waste in the possession of a marijuana testing facility;

**(3) marijuana or marijuana product that has been deemed by the licensee unfit for sale or consumption;**

**(4) expired marijuana products; and**

**(5) other waste as determined by the board.**

(c) A marijuana establishment shall

(1) in the marijuana inventory tracking system required under 3 AAC 306.730, give the board notice not later than three days before making the waste unusable and disposing of it; however, the director may authorize immediate disposal on an emergency basis; and

(2) keep a record **through the inventory tracking system** of the final destination of marijuana waste made unusable; **and**

**(3) immediately notify the board in writing if requesting disposal of**

**(A) more than 1 gram of marijuana concentrate; or**

**(B) more than one ounce of marijuana or marijuana product.**

(d) Marijuana plant waste must be made unusable by grinding the marijuana plant waste and mixing it with at least an equal amount of other compostable or non-compostable materials. A marijuana establishment may use another method to make marijuana waste unusable if the board approves the method in advance. Material that may be mixed with the marijuana waste includes

(1) compostable materials including food waste, yard waste, vegetable based grease or oils, or other wastes approved by the board when the mixed material can be used as compost feedstock or in another organic waste method such as an anaerobic digester with approval of any applicable local government entity; or

(2) non-compostable materials including paper waste, cardboard waste, plastic waste, oil, or other wastes approved by the board when the mixed material may be delivered to a permitted solid waste facility, incinerator, or other facility with approval of any applicable local government entity.

(e) If marijuana or a marijuana product is found by, or surrendered to, a law enforcement officer including a peace officer or an airport security officer, the officer may dispose of the marijuana or marijuana product as provided in this section or by any method that is allowed under any applicable local ordinance.
