

Developmental Disabilities Committee Work Plan for FY18

Alaska Governor's Council on Disabilities and Special Education

GOAL # 1: Community Inclusion, Supports, and Services

Improve service delivery to empower individuals with intellectual and developmental disabilities (I/DDs) to live and thrive in their communities with formal and informal supports and services that promote independence.

Objectives:

- 1.1. Targeted Disparity Objective: Expand early identification of school age children (0-22 years) who experience Autism and/or FASD.
- 1.2. Increase person-centered practices for home and community-based service (HCBS) settings in the Alaskan service delivery system.
- 1.3. Expand the public's knowledge and awareness through outreach and community involvement on advocacy issues of importance to people who experience I/DDs.
- 1.4. Increase self-advocacy and self-advocacy leadership opportunities for individuals with I/DDs and their families in Alaska, including participation in coalitions and strengthening the state's self-advocacy organization.

GOAL # 5: Healthcare

Alaskans with disabilities and their families will receive the necessary employment services and supports needed to become competitively employed in an integrated setting.

Objective:

- 5.3. Improve the Alaska Medicaid system for individuals with disabilities through collaboration with partners and community workgroups.

1.1 Targeted Disparity Objective: Expand early identification of school age children (0-22 years) who experience Autism and/or FASD.
