

**STATE OF ALASKA ITB NUMBER 10 180000030**  
**AMENDMENT NUMBER 1**

Department of Natural Resources  
Support Services Division  
Procurement Section  
550 W. 7<sup>th</sup> Avenue, Suite 1330  
Anchorage, Alaska 99501

**THIS IS NOT AN ORDER**

**DATE AMENDMENT ISSUED: January 8, 2018**

**ITB TITLE: Catering and Camp Manager Services for TLO Camp at Icy Cape**

**ITB CLOSING DATE AND TIME: 2:00 p.m. on January 17, 2018 (No Change)**

**ITB PUBLIC BID OPENING DATE AND TIME: 2:15 p.m. on January 17, 2018 (No Change)**

This amendment addresses questions asked by potential bidders as of January 5, 2018. This amendment is for informational purposes only and need not be returned to the State.

**1. Clarification on Experience for both the Camp Cook and Camp Manager.**

A comment was made by a potential bidder during the pre-bid with regards to experience for the camp manager about the manager needing to be "an EMT." To clarify, the ITB only requires both the cook and camp manager to have current Basic First Aid/CPR certification. The ITB does not require any higher first-responder type certifications for these services.

A comment was made by a potential bidder regarding the "3 years experience" for both the camp cook and camp manager. To clarify this requirement, the cook and manager must have a minimum of 3 field seasons with a minimum of 2 months per season to meet this requirement.

**2. A question was asked** by a potential bidder on what experience the camp manager must have with regards to the "Perform additional duties as assigned by the TLO Project Manager such as assisting with core retrieval from the field and assisting in sample preparation." This is in the last item in the "Duties and Responsibilities" shown on page 25 of the ITB.

**Response:** Change this statement to read "Duties may include assisting in the transportation of drill core from the drill sites to sample processing facility as well as the performance of other duties as assigned by the TLO Project Manager."

**3. There are no further changes to the ITB at this time. Please contact the DNR Procurement Section via email at [dnr.ssd.procurement@alaska.gov](mailto:dnr.ssd.procurement@alaska.gov) with any questions. This amendment is for informational purposes only and need not be returned to the State.**
