8 AAC 78.020(a)(4) is amended to read:

(4) be mailed, faxed, **e-mailed**, or hand delivered to the department's mechanical inspection section.

8 AAC 78.020(b) is repealed and readopted to read:

(b) In addition to the notification in (a), an operator or owner shall obtain a certificate of operation for the amusement ride before the ride is placed in service to the public. To obtain a certificate of operation, the operator or owner shall ask the department or National Association of Amusement Ride Safety Officials (NAARSO) Level II Inspector designated by the department to inspect the ride. An inspector designated under this subsection shall file a copy of the inspection report with the department for review not later than 15 days after the inspection. Upon review of the inspection report, if the department determines that the ride complies with this chapter and AS 05.20.010, the department shall issue to the owner or operator a certificate of operation that is valid for one year after issuance. If the operator or owner intends to place the ride in service to the public after the certificate of operation has expired, the operator or owner shall obtain a new certificate of operation under the process in this subsection before operating the ride for the public.

8 AAC 78.150(a) is amended to read:

(a) The owner or operator of an amusement ride **shall** [MUST] have at least \$1,000,000 liability insurance. Evidence of the insurance must be mailed, **faxed, e-mailed, or hand delivered** to the department's mechanical inspection section at least 10 days before planned operation, and must be available at the location where the amusement ride is operated.

8 AAC 78.150(c) is repealed:

(c) Repealed ___/___/____.

8 AAC 78.150 is amended by adding new subsections to read:

(d) The owner or operator of an amusement ride shall immediately notify the department's mechanical inspection section, by telephone, of any occurrence involving an amusement ride, if the occurrence results in

(1) the death of any person;

(2) injury to any person, requiring ambulance or emergency vehicle transport to a hospital or clinic, and the injury is the result of a mechanical or structural failure of the amusement ride; or

(3) a mechanical or structural failure of the amusement ride that affects the safe operation of the amusement ride.

(e) The owner or operator of an amusement ride shall, within 24 hours, notify the department's mechanical inspection section, by telephone, facsimile, or e-mail, of an injury to any person involving an amusement ride, other than a death or injury that is reportable under (d)(1) - (2) of this section.

(f) If an occurrence described in (d) of this section occurs after ordinary business hours, the owner or operator of an amusement ride shall immediately notify the local police or local office of the Department of Public Safety, division of state troopers, in addition to the notification required in (d) of this section.

(g) The owner or operator of an amusement ride shall prepare a written report of an occurrence described in (d) of this section and mail, e-mail, or fax the written report to the department's mechanical inspection section not later than 48 hours after the occurrence. The written report must include the following:

- (1) the date of the occurrence;
- (2) the name, manufacturer, and serial number of the amusement ride involved;
- (3) the name, age, address, and telephone number of the injured or deceased person, if any;
- (4) a description of the injury, and medical treatment administered to the injured or deceased person, if any; and
- (5) a narrative description of the occurrence.

(h) The owner or operator of an amusement ride involved in an occurrence described in (d)(1) (2) of this section shall, after securing the scene to prevent additional injuries and to remove any injured or deceased persons, immediately remove the ride from service. The department shall conduct a prompt investigation of an amusement ride removed from service under this subsection. The ride may not be repaired or operated until the department completes its investigation. (Eff. 11/30/89, Register 112; am ___/___/___, Register ___)
