Addendum # SIX (6)

The following questions have been asked and answered.

1. Are we to include disconnects, motor starters, and combination motor starters in the equipment count for pricing the RFP.
 - a. **For bid purposes, include equipment that is on the drawings. Any additional required equipment labelling will be negotiated after the proposal date.**
2. Should transformers be included back into the equipment count for this proposal?
 - a. **No, the DOC will label transformers.**

End of Addendum #6

Please be reminded that all addendums must be acknowledged on your bid proposal.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Bailey".
