We have reviewed the attached Marijuana Control Board changes to these regulations against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations concern several clarifying amendments, including amendments related to identification of corporate and partnership officers on applications, fees for second and subsequent inspections, odor control and management of marijuana at trade shows.

The regulations were adopted by the Marijuana Control Board after the close of the public comment period. The December 6, 2017 public notice and the May 17, 2018 certification of adoption both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. The corrections are shown on the attached copy of the regulations.
