RE: Optometric Service  
RFP #190000011

**AMENDMENT # 2**

This amendment is being issued to make the following changes to the RFP document.

**SEC 1.04 PRIOR EXPERIENCE / QUALIFICATIONS - Changes to this section are as follows:**

**Deleted Language -**

**Professional Experience / Qualifications:**

- Licensed Optometrist – holder of valid current certificate issued by the Alaska State Board of Examiners in Optometry. *(provide copy)*
- ~~Offer must be able to provide proof of having a DEA certificate upon request if selected to provide this service.~~

The DEA certification has been removed as a requirement for an Optometrist. However, if an Ophthalmologist is submitting a proposal to provide this service it will be required.

**Added Language -**

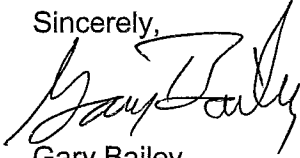

In the event that the contractor needs to prescribe a drug that requires a DEA certificate he/she will have to have the facility lead mid-level provider fill the RX unless they currently hold a DEA certificate and have provided a copy to the department.

**All other terms and conditions remain unchanged.**

\*\*\*\*\* END OF AMENDMENT #2 \*\*\*\*\*

If you should have any questions or concerns please contact me (*email preferred*).

Sincerely,

Gary Bailey  
Procurement Officer
