

I. PRICE SCHEDULE AS REVISED BY AMENDMENT THREE (3)

Estimated quantities are based on past snow removal services and the average snowfall in the Anchorage area basin as being approximately 70" yearly. Estimate is not to be construed as either a minimum or maximum guarantee. UAA reserves the unilateral right to increase or decrease the quantity of services ordered to meet its immediate needs. Services and pricing for all fiscal years following 2018-2019 shall be effective only if each contract renewal option is exercised. Payment shall be made based on unit pricing and the actual quantity of services rendered as verified by the UAA Contract Administrator.
