1. Below are two follow-up questions based on the guidance provided in Addendum Two:

Q1: The final bullet point that has been added to Revised Attachment 5-COST Proposal reads as follows:

- Cost for any additional STR pricing for additional testing

Please confirm that we are correct in our understanding this line item is seeking pricing for STR testing of additional *evidentiary* items?

A1: Either evidentiary or additional reference sample. See the attached 2<sup>nd</sup> Revised Cost Proposal.

Q2: We understand that there was more than one proposal submitted during the prior contracting process in 2017. Since question 27 requests "proposal submissions" from the previous DNA contract would the agency provide copies of all proposal submissions and pricing from all offeror that are in addition to the one already provided as part of Addendum Two?

A2: Yes. See the following attachments:
