

STATE OF ALASKA RFP 2019-0700-4017  
AMENDMENT NUMBER 4

Department of Labor and Workforce Development  
Division of Administrative Services  
P.O. Box 111149  
Juneau, AK 99811-1149

**THIS IS NOT AN ORDER**

**DATE AMENDMENT ISSUED: September 24, 2018**

**RFP TITLE: .NET Systems Support**

**RFP OPENING DATE AND TIME: 2:00 pm Alaska Time October 5, 2018 (REVISED)**

This amendment is for informational purposes only and need not be returned to the State.

The purpose of this amendment is document questions received from prospective vendors and provide the responses below.

- Question: Will DOLWD allow offerors to modify the Cost Proposal Form so per diem costs can be clearly broken out from hourly rates?
- Response: Prospective vendors should not alter or modify the Cost Proposal Form. Per diem costs are not included on the Cost Proposal Form as the location of the work per Section 3.07 is "the offices of the Department of Labor and Workforce Development in Juneau, Alaska". Also, as indicated in Section 4.07, "Prices submitted in the Cost proposals must include all direct and indirect costs associated with the performance of the contractor".
- Question: Will DOLWD require subcontractors to comply with the same insurance requirements as an offeror/prime contractor?
- Response: No. The insurance requirements shown in Appendix B1 attached to the RFP are for the prime contractor/offeror only as they will have the contractual relationship with the State.
- Question: Per RFP section 1.06, the deadline for offerors' questions is to be no later than 10 days' prior to bid submission; however, Amendment #3 did not specifically amend that section and is silent on any change to this deadline, only the email that accompanied Amendment #3 states the deadline is now 7 days prior to bid submission (or September 28). Therefore, will DOLWD please confirm September 28 is the new deadline for submission of offerors' questions?
- Response: The deadline for submission of written questions remains as stated in Section 1.06, "ten (10) days prior to the scheduled proposal due date". The email of 9/17 that accompanied Amendment 3 stated that the new deadline for submissions is 5:00 pm, Alaska time, on Tuesday, September 25, 2018.
