Sarah Oates states that the Board put this out for public comment before the Testing Working Group realized that the Department of Revenue was also putting out a regulations project that was adding new definitions regarding the marijuana plant. She adds that in order to prevent additional confusion and confliction, staff is recommending that the Board adopt the majority of this project, and send other sections back to the Testing Working Group for additional work.

Loren Jones moves that the Board adopt 3 AAC 306.345(b)(2), 3 AAC 306.455, 3 AAC 306.475(d)(2), 3 AAC 306.645(a), 3 AAC 306.645(b)(1)(B)(i), 3 AAC 306.645(b)(2), and 3 AAC 306.670(b), and any remaining be referred back to the Testing Working Group.

Brandon Emmett seconds the motion and clarifies that the motion did not include sections 3 AAC 306.435, 3 AAC 306.445, 3 AAC 306.990(b), or 3 AAC 306.9909b)(3).

Sarah Oates clarifies that the motion did contain those four sections, but only in the sense that they would be referred back to the Testing Working Group for additional work, and not adopted.

The Board considers public comments received.
