Re: Commercial Fisheries Entry  
Commission: Reduced Permit  
Renewal Fees  
(20 AAC 05.245-.1910)

The Department of Law has reviewed the attached regulations of the Commercial Fisheries Entry Commission against the statutory standards of the Administrative Procedure Act. The regulations update eligibility standards to qualify for reduced commercial fishing permit fees. Based upon our review, we find no legal problems. This memorandum constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations.

The regulations were adopted September 12, 2018 by the Commercial Fisheries Entry Commission after the close of the public comment period. The August 2, 2018 public notice and the certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.195 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.125. The corrections are shown on the attached copy of the regulations.

## Transcript of Public Meeting

September 12, 2018

CHAIR FATE PUTMAN: This is Fate Putman, Chair of the Commercial Fisheries Entry Commission. It is 3:30 on Thursday, September 12, and we are holding a meeting today seeking public comment to changes to our regulations. This is a public meeting of the CFEC for consideration of adopting those proposed amendments to Title 20, Chapter Five of the Alaska Administrative Code pertaining to reduced fees, and specifically, we will be amending 20 AAC 05.245(c) – (e), 20 AAC 05.250(b) and 20 AAC 05.1910(h). As the Chair of this, I would like to present this to the Commission and to Commissioner Kelley. And the two of us together under the new statute constitutes a quorum of the Commission. As I stated, the date is September 12, and approximately 3:30 p.m. right now. This is the date and time for that public meeting. The Commission has not received any public comments on these proposed regulations and no comment will be heard today in person, but we are certainly willing to take any visitors who want to listen to this motion as we present these regulations. With that, that's my statement for the record, and I'd like to present this to the Commission.

COMMISSIONER DALE KELLEY: Mr. Chairman, I move that we adopt the amendments to 20 AAC 05.245 (c) – (e), 20 AAC 05.250(b) and 20 AAC 05.1910(h), as proposed in the August 1, 2018, draft regulations and set out in pages one through four of the document before us.

CHAIR FATE PUTMAN: Thank you Commissioner Kelley, and I would second that motion and also request that we take a vote that we adopt these regulations. With that motion, I am going to call a roll call. Commissioner Kelley, what is your vote on the proposed regulations?

COMMISSIONER DALE KELLEY: Yea.

CHAIR FATE PUTMAN: And as the Chair, I vote also yes. So the motion is adopted and the proposed regulations are therefore adopted. I don't believe there are any further matters to come before this public meeting. I will pause now to see if there are. [Pause] And if there are no other matters to come before the Commission on these proposed regulations then I will adjourn this meeting at approximately 3:30 on September 12. Thank you all for your participation and we will talk to you next time.
