TO: April Simpson, AAC Coordinator
Office of the Lieutenant Governor

DATE: October 15, 2018

FILE NO.:

TELEPHONE NO.: 465-3600

FROM: Steven C. Weaver 
Sr. Assistant Attorney General
and Assistant Regulations Attorney
Legislation/Regulations Section

SUBJECT: Corrections to the Alaska
Administrative Code (AAC):
8 AAC (Department of Labor
and Workforce Development
regulations)

In accordance with the authority of the regulations attorney under AS 44.62.125(b), please forward to the publisher the corrections to the Alaska Administrative Code (AAC) described below. I have forwarded these corrections under a specific delegation dated December 1, 2015 from the regulations attorney. These revisions correct manifest errors.

The regulations to be revised are various provisions of 8 AAC, regulations of the Department of Labor and Workforce Development. The revisions to those provisions are as follows:

In 8 AAC 45.081(e):

--Change "adopted by references" to "adopted by reference"

In addition, please insert an editor's note after 8 AAC 45.081 to read:

Editor's note: As of Register 228 (January 2019), the regulations attorney made a technical correction under AS 44.62.125(b)(6), to 8 AAC 45.081(e).

In 8 AAC 57.090(a):

--Change "notice of appeal is filled" to "notice of appeal is filed"

In addition, please insert an editor's note after 8 AAC 57.090 to read:

Editor's note: As of Register 228 (January 2019), the regulations attorney made a technical correction under AS 44.62.125(b)(6), to 8 AAC 57.090(a).

1. The first part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them. The list includes names such as "John Doe", "Jane Smith", and "Robert Johnson", along with their respective addresses.

2. The second part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

3. The third part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

4. The fourth part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

5. The fifth part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

6. The sixth part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

7. The seventh part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

8. The eighth part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

9. The ninth part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

10. The tenth part of the document is a series of short, handwritten notes or entries. These notes are written in a cursive script and appear to be organized into a list or a series of paragraphs. The notes are somewhat difficult to read due to the cursive handwriting, but they seem to contain information related to the first part of the document.

In 8 AAC 61.635(c)(4):

--Change "ins" to instructors"

In addition, please insert an editor's note after 8 AAC 61.635 to read:

Editor's note: As of Register 228 (January 2019), the regulations attorney made a technical correction under AS 44.62.125(b)(6), to 8 AAC 61.635(c).
