

NOTICE OF PROPOSED CHANGES TO  
TEACHER CERTIFICATION IN THE REGULATIONS OF  
THE DEPARTMENT OF EDUCATION AND EARLY DEVELOPMENT

**BRIEF DESCRIPTION:** The proposed amendments would include additions to the list of approved basic competency exams and allow teachers who have completed a basic competency exam in the areas of reading, writing, or mathematics with qualifying scores approved by another certifying state agency to use that exam to satisfy the basic competency exam requirement of AS 14.20.020(i). The amendments would also eliminate the basic competency exam requirement for a Type-M limited career or technical education (CTE) certificate.

The Department of Education and Early Development proposes to adopt regulation changes in Title 4 of the Alaska Administrative Code dealing with teacher certification, including the following:

4 AAC 12.310, with proposed changes, would include additions to the list of approved basic competency exams and allow teachers who have completed a basic competency exam in the areas of reading, writing, or mathematics with qualifying scores approved by another certifying state agency to use that exam to satisfy the basic competency exam requirement of AS 14.20.020(i). 4 AAC 12.372, with proposed changes, would eliminate the basic competency requirement for a Type-M limited CTE certificate and allow that initial certificate to be issued for a five-year term.
