RE: ITB # 190004524 - Roof Replacement - SCCC

Addendum # 8

The purpose of this addendum is to correct an error that was in addendum number one for this project.

The error was on the second question regarding the engineers estimate. The answer stated:

A: No. The ITB has a range of \$250- \$500K but this is only an engineer estimate. However, funds are limited and negotiations may be necessary if exceeded.

The correct answer is:

A: No. The ITB has a range of \$250- \$500K but this is only an engineer estimate.

End of Addendum # 8
