DATE AMENDMENT ISSUED:

March 21, 2019

RFP TITLE:

Alaska Marine Highway System (AMHS) Economic Reshaping Consultant

This is an Informational Amendment only, which is not required to be returned.

Question One:

Will Southeast Conference (SEC) make the data it collected as part of the AMHS Reform Project available to the successful offeror for the reshaping study and will someone from SEC be available to coordinate in terms of explaining location of data and how it was collected, etc.?

Answer One:

Yes. SEC will share all the data it has and will make available someone on the SEC staff to provide data and explain the processes of the AMHS Reform Project.

The Reform Project was initiated during the previous administration with the majority of funding provided by DOT&PF. Therefore, DOT&PF will facilitate the coordination between SEC and the successful offeror to this RFP.

Question Two:

Sec 1.07 says "Offerors must submit one hard copy of their proposal, in writing..." Then later "Offerors are encouraged to submit electronic proposals." Am I correct in interpreting this to mean that if we submit electronically the hard copy is not also required?

Answer Two:

Yes, that is correct. Electronic submittals are sufficient.
