

8 AAC 85.075(f) is amended by adding a new subsection to read:

(f) A claimant's monetary determination, and the benefit year established by that determination, will be cancelled at the claimant's request only if:

(1) within the benefit year, the request for cancellation is made in writing, or is made by telephone to the division;

(2) the claimant repays to the division all benefits that have been paid under the determination and that cannot be charged against a new eligible benefit year; [AND]

(3) the claimant has terminated any voluntary quit, discharge for misconduct, or refusal of work disqualification by returning to work under the conditions described in AS 23.20.379(d) and 8 AAC 85.095(a)[.]; **and**

(4) **the claimant has terminated any disqualification for false statement or misrepresentation under the conditions described in AS 23.20.387 (a).**

8 AAC 85.110(c) is amended to read:

(c) **Benefit Rights of Interstate Claimant.** If a claimant files a claim against a state and it is determined by the state that the claimant has benefit credits available in the state, claims must be filed against that state, but only if benefit credits are available in that state. Thereafter, the claimant may file claims against any other state in which there are available benefit credits.

For the purposes of this subsection, benefit credits will be considered to be unavailable either whenever benefits have been exhausted, terminated, or postponed for an indefinite period or for the entire period in which benefits would otherwise be payable. **If a claimant files a claim and does not have sufficient benefit credits for a regular base period, as defined in AS 23.20.520, but has sufficient benefit credits for a regular base period in another state the claimant must file with that state.**
